encompassing adaptations of English classics for children and young adult readers and intercultural adaptations of children's classics across Europe. The international contributors assess both historical and transcultural adaptation in relation to historically and regionally contingent concepts of childhood. By assessing how texts move across age-specific or national borders, they examine the traces of a common literary and cultural heritage in European children's literature.

Tinker Bell and the Great Fairy Rescue, 2010. When Tinker Bell wanders off to look for lost things, she is seen and caught by a human girl. Find out what happens in this junior novelization retelling of Disney's direct-to-DVD movie. Includes eight pages of full color scenes.
