

WRITING WINNING SCHOLARSHIP ESSAYS

10 TIPS

READ THE QUESTION

Be sure your essay answers the scholarship question(s).

WOW THEM WITH THE INTRODUCTION

Create mystery and intrigue in your introduction. Use it to grab their interest from the beginning.

USE TRANSITIONS

You must use transitions to preserve the logical flow of your essay.

REVISE, REVISE, REVISE

Writing a good essay takes effort. Go over your essay to improve style, transition, voice, grammar, and tone.

KNOW YOUR AUDIENCE

Do your research on the organization offering the scholarship. What is its mission? What is the purpose of the scholarship? Your essay should highlight how you represent the values and mission of the scholarship. Context matters. The institution wants to hear about your potential and the great things you will accomplish with its scholarship support.

BRAG A LITTLE

Scholarships are awarded based on merit, so it is important that you highlight your accomplishments. While it is important to show your quality, never lie or embellish.

EVERY WORD COUNTS

Be clear and concise. Avoid general statements; show, do not tell. Give them a "slice of life." Use stories, examples, and anecdotes to individualize your essay and demonstrate the point you want to make.

EXPLAIN WHAT MAKES YOU STAND OUT

What makes you different or special compared to other applicants? To get some ideas, talk to your friends, family members, teachers, and neighbors. They all see you from different perspectives, and their feedback can be quite helpful in realizing what makes you unique.

ADHERE TO WORD LIMITS

Always type your essay. Once you have a good master essay, you can recycle it for other scholarship applications.

HAVE SOMEONE PROOFREAD YOUR ESSAY

Make sure your essay is well written. Check spelling and grammar. Another pair of eyes can catch errors you might miss.
