**TITHE** Hartley Edorodion,2014-10-31 This book is an eye opener It sets you free from the bondage fear and condemnation of being cursed with a curse It sets you free from the limitation of 10 percent It establishes you on the part freedom and wisdom of giving all to God The New Testament is not a message of 10 percent but 100 percent That s why tithe was not preached in the New Testament Every other thing was taught by the Lord Jesus Christ and the apostles except tithe The New Testament is a message of sell all that thou hast and distribute unto the poor and thou shalt have treasure in heaven and come follow me Luke 18 22 Not sell 10 percent that thou hast The message of tithe cannot be preached in the New Testament This book is not in any way making you give less to the kingdom of God but to make you give more even much more and even all For with the same measure that ye mete withal it shall be measured to you again Luke 6 38     *Tithe*

Carmelia Stokes,2007-10 There s no available information at this time Author will provide once information is available     War in a Bottle Joseph Luxum,2012-07 The Supernatural Power of Peace All people contain DNA Recent studies have revealed that genes remember the past and to a certain extent can influence the present The environment in which we live influences not only the development of our psyche but also the overall disposition in which genes play a larger role than previously thought In Matthew 5 9 Jesus declared Blessed are the peacemakers for they will be called sons of God Just as the Word suggests it is not the war makers that are blessed but the peacemakers Whatever we scarcely pay attention to as being unattractive and not dramatic enough to grab our attention God chose to astound the world First Corinthians 1 25 says The foolishness of God is wiser than men and the weakness of God is stronger than men This book deals with the supernatural nature of peace which actually heals and restores More than ever before the modern lifestyle robs us of peace as a result people seek an escape from stress Some find it in chemical substances others in time off relaxation or meditation But there is

a peace that surpasses human understanding Like walking firebombs which are bottles filled with petrol ready to go off some people go through life without any purpose As the title of this book suggests the bottle must be emptied of all flammable substances for only then one will find the much sought after commodity which is the healing and restoring power of peace

**Christianity for 'Know-Nots'** Leslie R. Toliver, 2013-02-25 Words are powerful Words hold weight Words can educate you or confuse you They can bring joy or pain faith or fear Words unlock the mysteries of life Did you know that your words have creative power Did you know that what you dont know about Christianity can hurt you As a Christian you owe it to God and to yourself to know as much as you can about your relationship with Him Gods Word directs us to be able to explain why we believe what we believe Christianity for Know Nots will help you This book is designed to help believers and non believers to understand the meanings of words used in the Holy Bible and among Christian believers If this were a course it would be called Christianity 101 How much do you know about Christianity The Unknown God, a Sermon [on Acts Xvii. 23].

Traits and stories of the Irish peasantry* William Carleton, 1882 Creating Eartheaven in Your Life Profound Transformation of Your Soul David H. Fastiggi, 2014-05-17 Creating Eartheaven in Your Life is unique and it is innate in all human beings Humanitys quest for a wholesome peaceful life goes unabated Our search for our better self that identifies with the reality of the world we live in all too often filled with grief and stress is juxtaposed with faith and hope for change or a miracle Do we just have faith expecting God will deliver humanity from the ills we have caused Should we just buckle down and be practical seeking solution with our rational self What kind of God do we actually know or are we seeking a relationship with an image of God taught to us What is the divine matrix and does a personal God speak to us Science stands for one view of creation and faith stands for another Is there a joining point of the two Has our species Homo sapiens stalled out in evolutionary development Is the world becoming a village of cooperation and mutual peace seeking Can we continue the way we have been and survive our own arrogance What is the future of faith religion and spirituality The author in a comprehensive way takes us on a journey to explore answers to

these questions and much more Eartheaven is a paradigm of integration between the souls development and our biological body and by extension all creation He delves into scientific reality while preserving in the beginning God created Creating Eartheaven in Your life is a deep exploratory of the souls life in the experience of hurt and suffering and the potential for there to be personal divine human embodiment and therefore earth peace Through ten fundamental teaching combining Jesus words of two thousand years ago an Aramaic understanding the authors revelatory experience in an apparition of Jesus his 44 years life experience psychology and science your reading and learning experience will be a challenge and liberation of the soul Profound transformation is needed and this codex offers the leverage needed to shift our life course towards personal awakening and transformation as well as providing a blue print for future generations Creating Eartheaven in Your Life brings us into universal principles of life a meeting for humanity without walls This volume of two addresses specifically transformation of the soul heaven unfolding Volume two addresses transformation of the body representing the earth and thus eartheaven Granted this book is not an easy read but proves to be a strong mirror reflecting back to us our lives and what we can become fulfilling humanitys evolutionary life potential and perhaps vital to our survival as a people     A Luminous Brotherhood Emily Suzanne Clark,2016-08-26 In the midst of a nineteenth century boom in spiritual experimentation the Cercle Harmonique a remarkable group of African descended men practiced Spiritualism in heavily Catholic New Orleans from just before the Civil War to the end of Reconstruction In this first comprehensive history of the Cercle Emily Suzanne Clark illuminates how highly diverse religious practices wind in significant ways through American life culture and history Clark shows that the beliefs and practices of Spiritualism helped Afro Creoles mediate the political and social changes in New Orleans as free blacks suffered increasingly restrictive laws and then met with violent resistance to suffrage and racial equality Drawing on fascinating records of actual s ance practices the lives of the mediums and larger citywide and national contexts Clark reveals how the messages that the Cercle received from the spirit world offered its members rich religious experiences as well as a forum for political activism inspired by republican ideals Messages from departed souls including Fran ois Rabelais Abraham Lincoln John Brown Robert E Lee Emanuel Swedenborg and even Confucius discussed government structures the moral progress of humanity and equality The Afro Creole Spiritualists were encouraged to continue struggling for justice in a new world where bright spirits would replace raced bodies     **Jane Sinclair.
