Smith, 2014-03-31 LOVE LETTERS TO AMERICA is a book written in love from my heart to yours I love America and have spent time pondering our course and fate It has brought me to ask questions that make you think and engage you towards right actions and away from costly traps that can ruin your life I believe that we all have a correctly charted course laid before us A destiny written by God to fulfill If one is not careful we can change course easily and be headed in the wrong direction It is possible then to miss out on what God desires for our lives Right thinking and choices can help to safeguard our lives and those of our loved ones around us Hopefully then we can be found walking out in victory the
