David Busch's Sony Alpha a7C Guide to Digital Photography David D. Busch,2021-01-06 David Busch's Sony Alpha a7C Guide to Digital Photography is the most comprehensive resource and reference for Sony's ultra compact 24 megapixel full frame mirrorless camera. The a7C packs large sensor image quality and low light performance into the world's smallest full frame camera with in-body five-axis image stabilization. The perfect companion for travel photography under the most demanding conditions, it's also fast enough for 10 frames per second action photography bursts and delivers the resolution the most demanding landscape or fine art photographer require. With fast sensor-based 693-point phase detect autofocus with real-time face and eye tracking and 4K and full HD video capabilities, the a7C has all the tools needed to take incredible still images and capture compelling movies and video blogs. This book will show you how to master those features as you explore the world of digital photography and hone your creativity with your a7C. Filled with detailed how-to steps and full color illustrations, David Busch's Sony Alpha a7C Guide to Digital Photography covers every feature of this camera in depth from taking your first photos through advanced details of setup, exposure, lens selection, lighting, and more, and relates each feature to specific photographic techniques and situations. Also included is the handy camera roadmap chapter, an easy-to-use visual guide to the camera's features and controls. Learn when to use every option and more importantly when not to use them by following the author's recommended settings for each menu entry. With best-selling photographer and mentor David Busch as your guide, you'll quickly have full creative mastery of your camera's capabilities whether you're shooting on the job as an advanced enthusiast exploring full frame photography for the first time or are just out for fun. Start building your knowledge and confidence while bringing your vision to light with the Sony a7C. **David Busch's Sony Alpha a7 III**
