Time Tunnel Episode Guide:

I Talked with a Zombie Tom Weaver, 2009-01-23 I talked with a zombie it DOES seem like an odd thing to say But for more than 25 years Tom Weaver has been chatting up zombies and many other vintage movie monsters along with the screenwriters producers directors and actors responsible for bringing them to life In this compilation of interviews 23 more veterans share their stories strange frightening and even a little funny this time with an increased emphasis on genre television series courtesy of the stars of The Time Tunnel Rocky Jones Space Ranger Tom Corbett Space Cadet Planet of the Apes and The Wild Wild West The many other interviewees include Tandra Quinn Mesa of Lost Women Eric Braeden Colossus The Forbin Project Ann Carter The Curse of the Cat People Laurie Mitchell Queen of Outer Space and monster music maestro Hans J Salter *Irwin Allen Television Productions, 1964-1970* Jon Abbott, 2015-06-14 Before establishing himself as the master of disaster with the 1970s films The Poseidon Adventure and The Towering Inferno Irwin Allen created four of television s most exciting and enduring science fiction series Voyage to the Bottom of the Sea Lost in Space The Time Tunnel and Land of the Giants These 1960s series were full of Allen s favorite tricks techniques and characteristic touches and influenced other productions from the original Star Trek forward Every science fiction show owes something to Allen yet none has equaled his series pace excitement or originality This detailed examination and documentation of the premise and origin of the four shows offers an objective evaluation of every episode and demonstrates that when Irwin Allen s television episodes were good they were great and when they were bad they were still terrific fun **To Boldly Go** Djoymi Baker, 2018-03-06 Today s media cinema and TV screens are host to new manifestations of myth their modes of storytelling radically transformed from those of ancient Greece They present us with narratives of contemporary customs and belief systems our modern day myths This book argues that the tools of transmedia merchandising and promotional material shape viewers experiences of the hit television series Star Trek to reinforce the mythology of the gargantuan franchise Media marketing utilises the show s method of recycling the narratives of classical heritage yet it also looks forward to the future In this way it reminds consumers of the Star Trek story s ongoing centrality within popular culture whether in the form of the original 1960s series the later additions such as Voyager and Discovery or J J Abrams reboot films Chapters examine how oral and literary traditions have influenced the series structure and its commercial image how the cosmological role of humanity and the Earth are explored in title sequences across various Star Trek media platforms and the multi faceted way in which Internet video game and event spin offs create rituals to consolidate the space opera s fan base Fusing key theory from film TV media and folklore studies as well as anthropology and other specialisms **To Boldly Go** is an authoritative guide to the function of myth across the whole Star Trek enterprise **An Analytical Guide to Television's One Step Beyond, 1959-1961** John Kenneth Muir, 2010-06-21 Alcoa Presents One Step Beyond made its television debut in 1959 nine months before Rod Serling s classic The Twilight Zone and paved the way for a generation of television programs devoted to

paranormal topics such as the occult ESP and ghost stories One Step Beyond was also where some of Hollywood's most famous leading men including Warren Beatty William Shatner and Charles Bronson got their starts in television This complete reference work to the 96 half hour episodes that ran for three seasons on ABC also offers a detailed history extensive commentary and summaries of the critical reception of One Step Beyond as well as coverage of the sequel series produced in 1978 entitled The Next Step Beyond Complete credits for both series are provided An Analytical Guide to Television's Battlestar Galactica John Kenneth Muir,2015-09-15 When the space drama Battlestar Galactica debuted on ABC in 1978 it was expected to be the most popular new program of the year Instead it was attacked as a Star Wars rip off and canceled after a mere 17 stories The author acknowledges the show was full of dramatic cliches and scientific inaccuracies but despite these shortcomings Battlestar Galactica was a dramatically resonant series full of unique and individual characters such as Commander Adama Lorne Greene and ace warrior Captain Apollo Richard Hatch The author contends that Battlestar Galactica was a memorable attempt to make science fiction accessible to mainstream television audiences The brilliant work of artist John Dykstra brought a new world of special effects to network television Battlestar Galactica also skillfully exploited legends and names from both the Bible and ancient mythology which added a layer of depth and maturity to the weekly drama The American Western A Complete Film Guide Terry Rowan,2012-11-18 A comprehensive film guide featuring films and television shows of the great American western The stories of the men and women who tamed the old West Also featuring actors and directors who made these films possible *TV Guide* ,1997 *World War II Goes to the Movies & Television Guide Volume II L-Z* Terry Rowan,2012-01-17 A Complete Film Guide to motion pictures and television shows that pertain to WWII Facts and stories about Hollywood personal that served in the Armed Forces War Bond drives USO shows Hollywood Canteen and those who were ruled 4 F during the war Complete history of world cinema during the years of the war As well as other interesting facts are also included Featuring shorts cartoons documentaries and feature films in the second volume L Z Don't forget the first volume A K edition **World War II Goes to the Movies & Television Guide** Terry Rowan,2012-03-07 A complete film guide to all of your films and television shows that pertain to WWII Included are every WWII film produced throughout the world Historical and informative Stories behind the Hollywood Canteen USO shows War Bond drives those who served or were classified as 4F during the war Many interesting stories

Science Fiction Television Series Mark Phillips, Frank Garcia,2014-05-12 Whether rocketing to other worlds or galloping through time science fiction television has often featured the best of the medium The genre's broad appeal allows youngsters to enjoy fantastic premises and far out stories while offering adults a sublime way to view the human experience in a dramatic perspective From Alien Nation to World of Giants this reference work provides comprehensive episode guides and cast and production credits for 62 science fiction series that were aired from 1959 through 1989 For each episode a brief synopsis is given along with the writer and director of the show and the guest cast Using extensive research and interviews

Mitchell,2015-07-11 From the time his Nazi regime launched World War II to the present Adolf Hitler has frequently been depicted on film He was largely ridiculed at first since laughter was a powerful weapon and morale booster for nations at war Later representations were more somber and realistic yet Hitler s image never escaped the undertone of scorn This book concentrates exclusively on portrayals of Hitler in feature films and television miniseries The filmography covers films with a factual historical storyline fictional stories alternate histories parodies and films where actors playing Hitler have a cameo Each entry provides production credits an annotated cast list an analysis and synopsis of the film an evaluation of the actor playing Hitler in terms of the strengths and weaknesses of his portrayal and representative quotations from the film [5000 Episodes and No Commercials](#) David Hofstede,2011-11-09 Groundbreaking Does for TV shows what Leonard Maltin s guides do for movies Forget movies Sales of TV DVDs are outpacing all other categories according to Video Store magazine The Simpsons 24 Lost Desperate Housewives Alias even old chestnuts like Columbo and Home Improvement are blowing out of the stores as fans and collectors rush to buy their favorite shows compact and complete How do buyers know which shows are the best which season contains that favorite moment which episode features that guest star They don t not without their trusty copy of 5 000 Episodes No Commercials which gives full information on every sitcom and drama released on DVD whether in season by season sets individual episodes best of compilations specials or made for TV movies Almost 500 pages of listings include year of original airing information on audio and video quality extras Easter eggs and more Every couch potato is sure to heave up off the sofa just long enough to buy 5 000 Episodes No Commercials **The Encyclopedia of Sixties Cool** Chris Strodder,2007-03-01 The Encyclopedia of Sixties Cool profiles over 250 of the most intriguing personalities of the 1960s The men and women covered in the book include a wide range of celebrities from well known superstars the Beatles Dustin Hoffman Muhammad Ali to lesser known icons Nico Terry Southern Bo Belinsky who had a significant impact on popular culture The figures include musicians actors directors artists athletes politicians writers astronauts anyone and everyone who made the sixties the most influential decade of the twentieth century Over 200 vintage photographs and more than fifty sidebars are featured throughout the text The sidebars include lists of Best Picture winners great quarterbacks Playmates of the Year memorable TV theme songs favorite toys Disneyland rides Wimbledon champions groovy screen cars surf stars Indy 500 winners cool cartoons sci fi classics Bond girls bubblegum hits beach movie cameos and legendary concerts A what happened on this day calendar highlighting landmark events in the lives of those profiled appears on every page Entertaining and enlightening The Encyclopedia of Sixties Cool is truly a celebration of the grooviest people events and artifacts of the 1960s *Substance / style* Sarah Cardwell,Jonathan Bignell,Lucy Fife Donaldson,2022-04-26 An exciting new strand in The Television Series the Moments in Television collections celebrate the

power and artistry of television whilst interrogating key critical concepts in television scholarship Each Moments book is organised around a provocative binary theme Substance style offers fresh perspectives on television's essential qualities and aesthetic significance It reassesses the synergy between substance and style highlighting the potential for meaning to arise through their integration The book's chosen programmes are persuasively illuminated in new ways The book explores an eclectic range of TV fictions dramatic and comedic Contributors from diverse perspectives come together to expand and enrich the kind of close analysis most commonly found in television aesthetics Sustained detailed programme analyses are sensitively framed within historical technological institutional cultural creative and art historical contexts *Spy*, 1989-08 Smart Funny Fearless It's pretty safe to say that *Spy* was the most influential magazine of the 1980s It might have remade New York's cultural landscape it definitely changed the whole tone of magazine journalism It was cruel brilliant beautifully written and perfectly designed and feared by all There's no magazine I know of that's so continually referenced held up as a benchmark and whose demise is so lamented Dave Eggers It's a piece of garbage Donald Trump

Prehistoric Humans in Film and Television Michael Klossner, 2015-01-09 From the early days of the movies cavemen have been a popular subject for filmmakers not surprisingly since the birth of cinema occurred only a few decades after the earliest scientific studies of prehistoric man Filmmakers however were not constrained by the emerging science instead they most often took a comedic look at prehistory a trend that continued throughout the 20th century Prehistoric humans also populated adventure fantasy films with the original One Million B.C. 1940 leading the charge Documentaries were also made but it was not until the 1970s that accurate film accounts of prehistoric humans finally emerged This exhaustive work provides detailed accounts of 581 film and television productions that feature depictions of human prehistory Included are dramas and comedies set in human prehistory documentaries and films and television shows in which prehistoric people somehow exist in historical periods from the advent of civilization up to the present or in extraterrestrial settings Each entry includes full filmographic data including year of release running time production personnel cast information and format A description of each film provides background on the prehistoric elements Contemporary critical commentary is included for many of the works

Time-Travel Television Sherry Ginn, Gillian I. Leitch, 2015-10-08 Stories of time travel have been part of science fiction since H.G. Wells sent his nameless hero hurtling into Earth's distant future in *The Time Machine* Time travel enables the storyteller to depict alternate realities bring fictional characters face to face with historical figures and depict moral and ethical dilemmas in which millions of lives or the world as we know it are at stake From *Doctor Who* and *Quantum Leap* to the multiple incarnations of *Star Trek* time travel has been a staple of science fiction television for more than fifty years *Time Travel Television: The Past from the Present, the Future from the Past* surveys the whole range of time travel stories on the small screen The essays in this collection explore time travel series both familiar *Babylon 5* *Stargate SG-1* and forgotten *The Time Tunnel* *Voyagers* as well as time travel themed episodes and arcs in series where it is not central such as *Red Dwarf*

Lost and Heroes Contributors to this volume consider some of the classic themes of time travel stories the promise and peril of fixing the past the chance to experience and choose possible futures and the potential for small changes to have great effects Exploring time travel as a teaching tool as a vehicle for moral lessons and as a background for high adventure this book offers new perspectives on many familiar programs and the first serious study of several unjustly neglected ones Time Travel Television is essential reading for science fiction scholars and fans and for anyone interested in the many ways that television brings the fantastic into viewers living rooms Primetime 1966-1967 Thom "Beefstew" Shubilla,2022-04-26 The year 1966 was when many TV viewers all over America discovered the wonders of in living color The 1966 1967 primetime television lineup was remarkable not only for the legendary shows that aired but also because it was the first season in which every show on primetime across all three major networks was broadcast entirely in color Celebrating this iconic year of television this book covers every scripted episodic show that aired on the ABC CBS and NBC networks during the 1966 1967 season in primetime It includes longtime favorites such as Batman Bonanza Voyage to the Bottom of the Sea and The Lucy Show and the notable shows that premiered that year such as Star Trek The Monkees Green Hornet Mission Impossible It's About Time and the color revival of Dragnet Organized by genre each entry examines a show from conception to cancellation and sometimes beyond ratings critical and fan reactions and the show's use of color **This Is a Thriller** Alan Warren,2004-04-14 The late 1950s and early 1960s were the golden years of horror television Anthology series such as Way Out and Great Ghost Tales along with certain episodes of Twilight Zone and The Alfred Hitchcock Hour were among the shows that consistently frightened a generation of television viewers And perhaps the best of them all was Thriller hosted by Boris Karloff In Thriller the horror was gothic with a darker bleaker vision of life than its contemporaries The show's origins and troubled history is first discussed here followed by biographies of such key figures as producer William Frye executive producer Hubbell Robinson writers Robert Bloch and Donald S Sanford and Karloff The episode guide covers all 67 installments providing airdates production credits cast plot synopses and critical evaluations Hogan's Heroes Brenda Scott Royce,1998-10-15 This fun and informative book takes fans of Hogan's Heroes the classic 1960s sitcom behind the scenes to reveal the details of the show's creation the controversy surrounding its unlikely premise interviews with the stars and crew a detailed guide to each of the 168 episodes and much more 25 photos

Time Tunnel Episode Guide Introduction

In today's digital age, the availability of Time Tunnel Episode Guide books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Time Tunnel Episode Guide books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Time Tunnel Episode Guide books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Time Tunnel Episode Guide versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Time Tunnel Episode Guide books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Time Tunnel Episode Guide books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Time Tunnel Episode Guide books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic

texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Time Tunnel Episode Guide books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Time Tunnel Episode Guide books and manuals for download and embark on your journey of knowledge?
