Time Of Death An Inspector Carlyle Mystery:

Time of Death James Craig, 2014-10-14 The worst murders occur closest to home When Agatha Mills is killed in her own apartment in the shadow of the British Museum there is only one suspect her husband Henry For Inspector Carlyle it seems like an open and shut case But much to Carlyle s chagrin Henry refuses to confess Worse he comes up with an alternative version of events that is nearly impossible to investigate Carlyle just wants to put the murder to bed but when a distraught Henry kills himself on the way to prison doubts begin to surface The mounting evidence indicates he may have been telling the truth In which case the murderer is still at large

The Mystery of Iniquity William H. Shurr, 2014-07-15 This book is the first to consider the work of Herman Melville s later years as a whole in the light of his life and reading during those years and of the intellectual and artistic ambience of the later nineteenth century With the exception of Billy Budd almost all of the writing Melville produced between 1857 and 1891 is poetry Until now little attention has been given to the poetry and it has been customary to view Melville s final masterpiece Billy Budd against the background of the earlier fiction almost as if the writing of the intervening thirty four years had not existed William H Shurr who has studied the poems with close attention to the Melville manuscripts in the Houghton Library at Harvard University contends that Melville s poetry merits more attention and appreciation than has hitherto been accorded it Concerned principally with the maturation of Melville s darker themes he has been the first to study the carefully designed sequences in which Melville published his poems He has also discovered in the poems thematic patterns among them Melville s heterodox Christology and his concept of a particular kind of individualism found in what he calls the transcendent act that shed new light on the complexities of Billy Budd
