Ethnic Studies and Youth Literature Marilisa Jiménez García, Sonia Alejandra Rodríguez, 2025-07-01 Brings together scholars and practitioners to present an ethnic studies framework for studying and teaching youth literature For decades youth literature has been reckoning with its role in systemic racism and oppression In this landmark edited volume Marilisa Jiménez García and Sonia Alejandra Rodríguez assemble a cadre of well known women of color scholars and practitioners to make a case for ethnic studies as a path for pursuing racial justice in the field Ethnic studies they argue demands that we go beyond seeing race ethnicity culture and diversity as questions of identity and difference Instead it shows us how marginalized positionalities create epistemologies that shape our understanding of age craft genre and knowledge production Multidisciplinary and intersectional in its approach Ethnic Studies and Youth Literature analyzes US imperialism through the lens of youth literature and vice versa shedding light on the roots of our current culture wars and curriculum battles Slut Narratives in Popular Culture Laurie McMillan, 2024-08-19 Slut Narratives in Popular Culture explores representations of slut shaming and the term slut in US popular media 2000 2020 It argues that cultural narratives of intersectional gender identities are gradually but unevenly shifting to become more progressive and sex positive Moving beyond prior research on slut shaming which exposes problematic connotations between women's morality and a sexual purity associated with White economic privilege this book examines how narratives that perpetuate slut shaming are both contested

and reinscribed through stories we circulate It emphasizes effects of twenty first century developments in digital communication and entertainment The rapid evolution of genres combined with increased access to the consumption and production of texts stimulates more diverse storytelling The book s analyses demonstrate twenty first century changes in how slut shaming is depicted and understood while encouraging consumers and producers of pop culture to attend to cultural narratives as they reify or challenge the subordination of vulnerable populations Aimed primarily at an academic audience this book will also engage general readers interested in intersectional feminism pop culture new media digital technologies and sociolinguistic change Readers will become more adept at deconstructing assumptions embedded in popular media especially narratives informing slut shaming
