context of its time and amongst his own contemporaries but also to make a case for the importance of this body of work in its own right particularly in its promulgation of original and innovative ideas Holmes's poetry represents a particularly unique combination of traditional verse form coupled with innovative and esoteric subject matter often drawing upon Eastern Buddhist philosophy as well as Western Romanticism and Pantheism and so deserves to be more widely recognized as being wholly distinctive within the canon of Victorian and Modern poetry

**Christian Nation**, 1927 **The Lover of a Subversive is Also a Subversive** Martín Espada, 2010 Essays from a nationally acclaimed Latino poet *Faith, Leadership and Public Life* Preston Manning, 2017-10-15 The connection between faith leadership and public life is a complex one as Preston Manning knows all too well from his years as a scout and trailblazer on Canada's political frontiers Now in his new book *Faith Leadership and Public Life* Leadership Lessons from Moses to Jesus he fearlessly tackles this subject by drawing upon his own years in Canada's parliament and political arena and upon relevant lessons to be learned from the public lives of the founding giants of Judaism and the Christian faith Starting with the public life of Jesus himself he also draws upon the experience of those leaders whom Jesus most frequently referenced such as Moses and David as well as examining the lives of leaders such as Joseph and Daniel who were called upon to exercise their faith in societies and political systems hostile to their beliefs He challenges people of faith today to learn from their examples about how to conduct ourselves responsibly at the faith political interface while bringing what Jesus called salt and light to bear on the political issues and structures of our times If you are a person of faith currently active in politics or leadership or contemplating involvement in either the following pages will help you in meeting those challenges

**A PASSION FOR POETRY** Maril Ozanne Garrison, 2013-06-27 **A PASSION FOR POETRY** Why poetry Why has this ancient craft existed throughout time continuing even into our fast paced age of modernity and technology Perhaps two reasons 1 The human condition still demands we ask who we are what we are and why we are and 2 space is limited in this form of writing requiring the poet reduce his thoughts into a quick read format Puns pundits quotes poetry and prose capsule 90% of everything the human race believes to be important and true Poets are avatars who define the nature and meaning of our roles They reduce the fabric of our existence to the simplest ingredients of mind soul bones sinew and desire It is the forum that speaks to all reaches all touches all teaches all questions all answers all

Kelcourse, 2015-07-28 This book now in its second edition brings together the best available understandings of human development from a multidisciplinary perspective Uniquely inclusive of

the moral and faith dimensions of context and life cycle development Human Development and Faith examines the interplay of mind body family community and soul at every stage of development It addresses two central questions What are the good enough conditions of parenting family and community in each phase of life from birth to death which support growth and development What gives life adequate meaning as development proceeds If human development describes the normative and hoped for passages of life then faith provides the necessary component of meaning Throughout the various perspectives offered in this volume is the premise that faith is that quality of living that makes it possible to fully live The Journal of Pastoral Theology called the first edition of Human Development and Faith an excellent text for pastoral theology courses because it fulfills its ambitious goal of bringing a holistic faith perspective to the usual topics of development This second edition includes a new chapter on infancy updates reflecting our growing awareness of cultural diversity and a new preface
