A Is for Anaktuvuk Naomi Gaede-Penner, 2013 The elders of the last roving bands of Nunamiuts and the only inland Eskimos in Alaska were determined to provide education within their settlement rather than send their children to boarding school. The obstacles were daunting: no school building, no teacherage, no roads to transport building supplies, no airstrip, no wood for fuel except willows, no public services besides a post office and few English speaking adults and children. When Anna Bortel flew with a bush pilot doctor to Anaktuvuk Pass to do an educational assessment, they begged her to return and teach. As told in *A is for Alaska Teacher to the Territory*, Anna knew the daily living requirements would be steep, much more so than those of teaching. She deliberated. She prayed. She accepted the challenge. A year later, Ernest Gruening, U.S. Senator from Alaska, described the dilemma Alaskan educators faced and the determination of the Native people to obtain an education. He held up Anna Bortel as the ideal teacher: one able to comprehend their problem, one kind and sympathetic and above all, one able to adjust to all conditions that might face her. Read how Anna Bortel carved a place in Alaska history and taught children that A is for Anaktuvuk, Alaska, while the Anaktuvuk people taught her how to live in their world. *Last Words from Montmartre* Qiu Miaojin, 2014-06-03 An NYRB Classics Original When the pioneering Taiwanese novelist Qiu Miaojin committed suicide in 1995 at age twenty-six, she left behind her unpublished masterpiece *Last Words from Montmartre*. Unfolding through a series of letters written by an unnamed narrator, *Last Words* tells the story of a passionate relationship between two young women, their sexual awakening, their gradual breakup, and the devastating aftermath of their broken love. In a style that veers between extremes from self-deprecation to pathos, compulsive repetition to rhapsodic musings, reticence to vulnerability, Qiu's genre-bending novel is at once a psychological thriller, a sublime romance, and the author's own suicide note. The letters, which Qiu tells us can be read in any order, leap between Paris, Taipei, and Tokyo. They display wrenching insights into what it means to live between cultures, languages, and genders until the genderless character Zo appears and the narrator's spiritual and physical identity is transformed. As powerfully raw and transcendent as Mishima's *Confessions of a Mask*, Goethe's *The Sorrows of Young Werther*, and Theresa Cha's *Dictée* to name but a few, *Last Words from Montmartre* proves Qiu Miaojin to be one of the finest experimentalists and modernist Chinese language writers of our generation. **Vogue**, 1928 *Hallmark Keepsake Ornaments* Clara Johnson Scroggins, 1993 A collector's guide to Hallmark keepsake ornaments with color photos and price values. **Good Housekeeping**, 1927 **The Television Treasury** Vincent Terrace, 2020-05-21 The first and only of its kind, this book is a straightforward listing of more than 25,000 trivia facts from 2,498 TV series aired between 1947 and 2019.
