Waiting For Service Amas Tenumah, 2021 You hate waiting in line or on the phone for customer service There have been plenty of books about customer service that all seem to offer secrets to improve customer service This is not that book I instead want to focus on Why customer Service is so broken and give you the secrets to get around it Customer service is bad by design Your bad customer service is not random it is intentional Customer Service is universally terrible this is not an opinion You do not have to believe me I am saying it is raining outside and you can simply look out the window I spent two decades helping dozens of your favorite brands with customer service You will laugh get mad all over again at some of the conversations I have had with executives around customer service I name names expose Customer Service nightmares from Travel to Cable Walmart fast food and so much I also provide you with how to get around bad service and offer radical thinking to reset customer service Amas Tenumah *Macworld*, 1985

Cats & Dogs Erik Montayne, 2020-01-09 The quest for personal glory drag two men into the pits of hell in these novellas. In *Cats*, retired FBI Special Agent Alston Waters is hired as the training officer for the Lincoln County Sheriff's Department in Montana. He scouts out a remote location with no distractions and no interferences. His search takes him and six deputies to the abandoned Sweet Grass Psychiatric Hospital. The hospital, once a brutal boarding school for Native American children, was closed after a horrific and mysterious fire ten years earlier. The Sheriff warns him of the legend of the Catman who roams the Hills. The Sheriff doesn't believe but tells Waters there are many who do. Before the close of the first day, Waters begins to believe himself when locked doors and barred windows leave them at the mercy of the myth. *Dogs* takes place on Maine's Stryker John Island where Trent Aress moves his family to establish a motel. *STRAIGHT TALK ON MONEY* Ken

Dolan, 1995-01-01 In *Straight Talk on Money*, the famous financial advisors share their wisdom on money and money management, discussing five questions to ask a financial planner, six ways to cut your credit card payments and four types of insurance never to buy. In an electronic world of hype and hard sell, it is refreshing that the husband and wife team of Ken and Daria Dolan is not trying to sell you anything. What they do offer is good, solid advice that shows you how to stretch your income simply and painlessly, how to make your money go further without scrimping on life's necessities or cutting out life's little luxuries.
