Still Rhyming at Ashby Ponds Robert Olander, 2018-06-21 Winding Down is one way of describing my life and the lives of my friends here in our retirement community Ans and I moved into Ashby Ponds four years ago and have thoroughly enjoyed life in what feels like a permanently moored cruise ship Although the subject matter is largely influenced by my fellow residents it includes occasional glimpses of the outside world I trust that this latest collection still brings new insight into the human condition with particular emphasis on aging This collection of short rhyming poems is arranged alphabetically and includes birthday and holiday wishes eulogies patriotic and religious observations vignettes of fellow residents and much more all in rhyme

Director's Cut Arthur Japin, 2010-02-09 Based on a true story Arthur Japin s new novel is a tale of consuming love and artistic creation that reimagine the last romance of the legendary filmmaker Federico Fellini In Director s Cut we enter the mind of Snaporaz the lion of Italian cinema as he slips into a coma in his final days Having always drawn inspiration from the world of his dreams he welcomes

the chance to take account of his life and in particular his most recent love affair with a beautiful but tempestuous young actress called Gala Here is the story as Snaporaz tells it Lured by the glamour of Rome Gala and her boyfriend Maxim an actor as well are hoping to be discovered when they manage the impossible entrance to the studio of the great master Despite an age difference of four decades Gala soon becomes Snaporaz's mistress leaving Maxim guardian of her secrets and her fragile health to be an anxious and helpless observer of her physical and spiritual decline As Gala becomes increasingly dependent on Snaporaz's attentions her desperation never to disappoint him leads her down a reckless path to anorexia and prostitution before the one true bond in her life is restored Snaporaz's intoxicatingly baroque Felliniesque account of the affair slyly challenges us again and again to ask what is dream and what is reality and to conclude that the difference is irrelevant when such a genius immerses himself in his most natural element the imagination A dazzling tale from one of Europe's most celebrated writers
