A Question of Time Verlyn Flieger, 1997 Tolkien s concern with time past and present real and faerie captures the wonder of travel into other worlds and other times This work shows that he was not just a mythmaker and writer of escapist fantasy but a man whose relationship to his own century was troubled and critical

War of the Fantasy Worlds Martha C. Sammons, 2009-12-22 This investigation focuses on C S Lewis s and J R R Tolkien s contrasting views of art and imagination which are key to understanding and interpreting their fantasy works providing insight into their goals themes and techniques as well as an appreciation of the value and impact of their mythologies Most scholarship about J R R Tolkien and C S Lewis describes their shared faith and academic interests or analyzes each writer s fantasy works War of the Fantasy Worlds C S Lewis and J R R Tolkien on Art and Imagination is the first to focus solely on their contrasting concepts of fantasy The authors views of art and imagination the book shows are not only central to understanding the themes value and relevance of their fantasy fiction but are also strikingly different Understanding the authors thoughts about fantasy helps us better understand and appreciate their works Yet this book is not a critical analysis of The Lord of the Rings or The Chronicles of Narnia Rather it examines only elements of Tolkien s and Lewis s books that relate to their views about art fantasy and creativity or the implementation of their theories The result is a unique and altogether fascinating perspective on two of the most revered fantasy authors of all time

The High Hallow: Tolkien's Liturgical Imagination Ben Reinhard, 2025-01-01 J R R Tolkien famously described The Lord of the Rings as a fundamentally religious and Catholic work But while these words have been widely and enthusiastically quoted in Catholic studies of Tolkien s legendarium readers have not always paid sufficient attention to what Catholic and religious would have meant to Tolkien himself To do so is to misunderstand the full import of the phrase From his childhood as an altar server and junior inmate of the Birmingham Oratory to daily Mass with his children as an adult Tolkien s Catholic religion was at its heart a liturgical affair To be religious and Catholic in the Tolkienian sense is to be rooted in the prayer of the Church The High Hallow Tolkien s Liturgical

Imagination takes this claim seriously The Lord of the Rings and Tolkien's myth as a whole is the product of an imagination steeped in liturgical prayer In the course of its argument the Ben Reinhard examines the liturgical pieties that governed Tolkien's life from childhood to old age the ways in which the liturgy colored Tolkien's theory of myth and fantasy and the alleged absence of religion in Middle earth Most importantly he shows how the plots themes and characters of Tolkien's beloved works can be traced to the patterns of the Church's liturgical year

Tolkien and Alterity Christopher Vaccaro, Yvette Kisor, 2017-10-11 This exciting collection of essays explores the role of the Other in Tolkien's fiction his life and the pertinent criticism It critically examines issues of gender sexuality race and ethnicity language and identity in The Lord of the Rings The Silmarillion and lesser known works by Tolkien The chapters consider characters such as Lobelia Sackville Baggins Saruman Owyn and the Orcs as well as discussions of how language and identity function in the source texts The analysis of Tolkien's work is set against an examination of his life personal writing and beliefs Each essay takes as its central position the idea that how Tolkien responds to that which is different to that which is Other serves as a register of his ethics and moral philosophy In the aggregate they provide evidence of Tolkien's acceptance of alterity

Tolkien B. Rosebury, 2003-10-21 This comprehensive and discriminating account of Tolkien's work has been revised and expanded to take account both of recent developments in scholarship and of the recent films directed by Peter Jackson Tracing the development of Tolkien's creative technique over several decades it explores the bewildering profusion of shorter

works as well as devoting an extended analysis to The Lord of the Rings Chapters consider Tolkien's contribution to the history of ideas and review the reception of the Lord of the Rings film adaptations and other popular adaptations of his work

The Encyclopedia of Fantasy John Clute, John Grant, 1999-03-15 Like its companion volume The Encyclopedia of Science Fiction this massive reference of 4 000 entries covers all aspects of fantasy from literature to art Tolkien's Mythic Meaning Quinn A. J. Gervel, 2025-05-27 Perhaps you have read The Lord of the Rings multiple times because it is a captivating story Maybe you experienced an awakening through the narrative that drew you back to Middle earth again Some have chosen to relive the journey from The Shire and back again because the adventure continues to bring new unexpected clarity about life Whatever the reason the story was compelling enough for you to revisit those hundreds and hundreds of pages all over again Tolkien's Mythic Meaning explores how and why After J R R Tolkien's The Hobbit debuted in 1937 readers were so enchanted by Bilbo's adventures they demanded more It took Tolkien over a decade to write The Lord of the Rings a monumental undertaking but one well worth the time invested to produce something he perceived readers were desperately hungry for Tolkien's Mythic Meaning demonstrates how Tolkien intentionally crafted The Lord of the Rings so that its narrative would mediate meaning to readers on a personal level deeper than words
