**Snapped in Cornwall** Janie Bolitho, 2000 Rose Trevelyan's life in Cornwall was peaceful until she was invited to a party where the hostess was found dead **Snapped in Cornwall** Janie Bolitho, 2000 **Framed in Cornwall** Janie Bolitho, 2001

Dorothy Pengelly lived alone in her remote dilapidated cottage with only her pets as company When her old friend Rose Trevelyan comes to visit and finds Dorothy dead she is devastated When Rose learns that it wasn't a heart attack but a case of suicide her suspicions are immediately roused Dorothy never would have killed herself but would anyone else have the motive to murder her Are the valuable paintings hanging on the walls the clue to the mystery Perhaps Dorothy's avaricious daughter-in-law had a hand in the old lady's death or maybe it is connected to a visit from a stranger earlier in the week As Rose seeks the truth she begins to realize that some people in this idyllic seaside town have secrets to hide **Caught Out**

**in Cornwall (Large Print 16pt)** Janie Bolitho, 2014-10-03 When Rose Trevelyan sees a young girl being carried away by someone who appears to be her father she thinks nothing of it Until that is the appearance of a frantic mother who cannot find her child Beth Jones is only four years old and her mother is adamant that the man Rose saw taking her away must be a stranger Wracked with guilt for not intervening Rose once again finds herself entangled in a criminal investigation As time passes it becomes clear that the chances of getting Beth back unharmed are very bleak indeed **Buried in Cornwall** Janie Bolitho, 2015-11-19 After the death of her husband Rose Trevelyan lives peacefully in Cornwall working as an artist and photographer But when she hears terrified screams as she paints the rugged Cornish countryside and a local woman is reported missing Rose finds herself suddenly caught at the centre of a police investigation With so many people who trust her Rose is reluctantly at times privy to the secrets of many When the things she is told in confidence appear connected to the investigation Rose must decide how far the bonds of friendship reach **Mystery Women, Volume Three (Revised)**

Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and

Federal Trade Commission* ,1962      *The Creeper* Emerald Fennell,2014-06-05 Don t look behind you Resist with all your power He ll go away perhaps as long as you don t look Arthur Bannister is back for another term at Shiverston Hall where eerie events are unfolding First a burned stranger shows up in the middle of the night uttering dire warnings Then a young boy disappears leaving behind only an ancient book as a clue And then there s that dreadful feeling Arthur has that he s being watched Full of spine chilling tales and deliciously creepy characters this second story from Shiverston Hall is enough to make you leave the lights on at night      *Delicious Torment* Christine Tripp,2020-04-15 Lily Snowe is the brightest diamond in London s society but her brilliance hides a scandalous past Her every step skirts the shadow of her secrets Her only confidants the Mandeville brothers have finally returned to London Is this Lily s chance at last to find freedom from the past and true love Ralph Mandeville is honor bound to protect his family and to protect Lily s trust But from the minute he sees her again his passion threatens to overcome his sensibilities The delicate dance of their courtship is thrown into chaos by a single cryptic phrase The Mandevilles have been chosen How can their bright new love defeat a dark past and a sinister conspiracy      *The Genesis Trust* Wayne Runde,2022-01-15 In the three centuries since Galileo science steadily advanced In the early twentieth century science and technology were the

undisputed champions of everyday life Now the pride of scientists was causing science to fail Clemens Gerhardt a distinguished scientist and member of the National Academy of Sciences saw where this pride led As science failed it would lead to worsening conditions and eventually to another Dark Age Untold millions would die of starvation and disease Like Galileo before him he was ostracized by the elitist scientists as a heretic To preserve science and continue its advance Gerhardt and the American president gathered like minded scientists to preserve and promote science They were hidden away on the island of Atlantis where the Genesis Trust was established as a rebirth of the scientific method No explanations of nature were discarded even if it went contrary to scientists in the rest of the world Soon the Trust found itself embroiled in events in the rest of the world The nascent Atlantans aided the United States in its darkest hour But a short time later the Trust was pitted against the prideful scientists in America as well as a rebellion at home Their challenge was to defeat the US military abroad and quell unrest at home all without unnecessary violence and without revealing their existence to the world

**Cornwall's First Town in the Frontline** P. Joe Plant, 2010-07 Little if anything is known about Torpoint's passage through the years of World War II in fact it is a time forgotten This book goes some way to describe what actually did happen It is not about one story but about many individual stories threaded together to record and validate one person's recollection together with others to give a true account of the incident in question which caused death and injuries to its civilian residents also the fate of its servicemen who died in battle throughout the world Due to censorship the taking of photographs was not permitted However during research for the book a few did come to light including German Reconnaissance photos identifying Torpoint as a target and American GIs leaving on 1st June 1944 bound for the D Day Landings a truthful illustration of the times and incidents that did occur This book also identifies a complete list of Torpoint's War fatalities their courage dedication and sense of sacrifice which brought about their early demise It is a chronicle of a short period in the town's history that students will learn from and that for others will hopefully rekindle lost family memories I can only congratulate Joe on a quite remarkable achievement This book will provide a permanent insight to this and future generations of the dark days our predecessors had to endure the contribution they made to eventual victory and the freedoms we enjoy today
