Soul Intent Soul Identity English Edition:

Find Your Soul Hilary Bowring, 2013-08 Find Your Soul Discover your life purpose We are in the middle of an evolutionary shift in human consciousness from being centred on individualism to the realization that we are One Consciousness In the transition we can feel overwhelmed but if we just focus on evolving ourselves we positively affect everyone In Find Your Soul you learn how to connect with your soul and manifest your role in the evolutionary plan Align with your soul using self transforming ideas and 9 powerful heart centred meditations that open your heart Use these short meditations daily and gradually your soul purpose becomes clear A must read if you are on a journey of transformation Hilary's book is a constant source of inspiration and guidance If you have a vision of a world full of grace with plenty of abundance for Everyone this is a map to get there With insight and integrity she opens new doors of self awareness and leads us to release the power within Pat Helferty Owner Recruitment Agency An insightful perspective and practical guide to personal awareness and fulfillment Inspirational Hilary thinks outside the box She has provided an enlightened message from the depths of her life experience Undaunted after a devastating personal tragedy her book is a testimony to the strength of the human spirit and gives a recipe for inner peace Barry Bates Consultant Every so often the perfect book appears just at the right time Helps to discern who is in command in your life the ego or the soul Meditation exercises help to elevate your consciousness Judy Tollifson Teacher A very accessible book to feel more connected to one's soul's purpose Reveals psychological and spiritual ways to work with the suggestions I particularly like the sparseness filled with teaching Joan McClintock Therapist

Restoring Soul, Passion, and Purpose in Teacher Education Peter Grimmer, 2021-12-30 This text both challenges and traces the development of a culture of regulation standardization performativity and governmentality evident in Anglophone teaching practice and education Framed by a brief history of teacher education research and policy in North America over the last six decades the text argues that the instrumentalization of curriculum and pedagogy has robbed teachers of their pedagogical soul passion and purpose Using a conceptual model Grimmer forges a pathway for teachers to adopt a soulful way forward in professional practice individually and collectively enhancing autonomy over programs and protecting the public trust placed in them as educators This text will benefit researchers academics and educators with an interest in teachers and teacher education educational policy and politics and curriculum thinking and enactment more broadly Those specifically interested in pedagogy educational change and reform and the philosophy of education will also benefit from this book
