Unique Exam Hint boxes point out subjects that are frequently tested, helping you study, plan your time and improve your test taking skills. Self study questions are included at the end of each chapter accompanied by answers and rationales in the back of the book. Complexity level codes, recall, application and analysis help you prepare for questions in the way that is most appropriate, e.g. memorization for recall or synthesis for analysis. NBRC content outline coding provides a code for each topic so you can be sure that you have covered every topic that might appear on the exam.
