Tales from the Haunted South Tiya Miles, 2015-08-12 In this book Tiya Miles explores the popular yet troubling phenomenon of ghost tours frequently promoted and experienced at plantations urban manor homes and cemeteries throughout the South As a staple of the tours guides entertain paying customers by routinely relying on stories of enslaved black specters But who are these ghosts Examining popular sites and stories from these tours Miles shows that haunted tales routinely appropriate and skew African American history to produce representations of slavery for commercial gain Dark tourism often highlights the most sensationalist and macabre aspects of slavery from salacious sexual ties between white masters and black women slaves to the physical abuse and torture of black bodies to the supposedly exotic nature of African spiritual practices Because the realities of slavery are largely absent from these tours Miles reveals how they continue to feed problematic Old South narratives and erase the hard truths of the Civil War era In an incisive and engaging work Miles uses these troubling cases to shine light on how we feel about the Civil War and race and how the ghosts of the past are still with us

Ghost Hunter's

Guide to New Orleans Jeff Dwyer, 2016-09-15 It's not hard to find restless spirits in the Big Easy. Let the popular paranormal investigator guide you through its winding streets and history. Newly revised and updated, this installment in the much acclaimed Ghost Hunter's Guide Series is designed for locals, new residents, and travelers seeking the haunted history of the Crescent City and nearby locations. Detailed descriptions and historical background for more than two hundred locations guide readers to sites where they might encounter ghostly apparitions. Sites and spirits in the Garden District and French Quarter include the ghosts of voodoo priestesses, victims of yellow fever epidemics, several well-known French Quarter restaurants, and the famous Lalaurie Mansion, thought to be the most haunted house in New Orleans. A section on City Park, the Faubourg Marigny, and nearby Chalmette, the site of the Battle of New Orleans, is also provided. A chapter dedicated to day trips suggests the paranormal possibilities awaiting travelers destined for the famous River Road plantations and Baton Rouge. Praise for Jeff Dwyer's Ghost Hunter's Guide to the San Francisco Bay Area: While sometimes scary, the ghost stories more often serve as reminders of the sometimes quirky and oftentimes tragically haunting history of the people of California.
