Women in America Bonnie J. Morris, 2012-02-01 Lubavitcher Women in America offers a rare look at the world of Hasidic women activists since World War II The revival of ultra Orthodox Judaism in the second half of the twentieth century has baffled many assimilated American Jews especially those Jewish feminists hostile to Orthodox interpretations of women's roles This text gives voice to the lives of those Hasidic women who served the late Lubavitcher Rebbe as educators and outreach activists and examines their often successful efforts to recruit other Jewish women to the Lubavitcher community in Crown Heights Brooklyn Central to this book is how Lubavitcher women have talked back to American feminist thought Arguing that American feminism cannot liberate Jewish women that a specifically Jewish spirituality is more appropriate and fulfilling Lubavitcher women have helped to swell the ranks of their Rebbe's followers by aggressively promoting the appeal of traditional structured Jewish observance The book thus offers a unique look at female anti feminist religious rhetoric articulately presented by Jewish fundamentalists *Selected Letters of Katherine Anne Porter* Darlene Harbour

Unrue, 2012-11-28 Katherine Anne Porter 1890 1980 produced a relatively small body of fiction but she wrote thousands and thousands of letters The present selection of 135 unexpurgated letters written to seventy four different persons begins with a 1916 letter written from a tuberculosis sanatorium in Texas and ends with a 1979 letter dictated to an unnamed nursing home attendant in Maryland Different from any previous selection this body of letters does not omit Porter's frank criticism of fellow writers and spans her entire life Within that circumscription is the chronicle of Porter a twentieth century woman searching for love while she struggles to become the writer who she is sure she can be Porter's letters vividly showcase the twentieth century as the writer observes it from her historical vantage points tuberculosis sanatoria and the influenza pandemic of 1918 the leftist community in Greenwich Village in the 1920s the Mexican cultural revolution of the 1920s and early 1930s the expatriate community in Paris in the 1930s the rise of Nazism in Europe between the World Wars the Second World War and its concomitant suppression of civil liberties Hollywood and the university circuit as a haven for financially strapped writers in the 1940s and 1950s the Cold War and its competition for supremacy in space the women's rights and the civil rights movements and the evolution and demise of literary modernism The Shoe Workers' Journal, 1903 **The**

of imposed stumbling blocks As well the author acknowledges the contributions of those who came before and builds upon their achievements and successes to the benefit of future generations While most Americans respect our nation and its Founding Fathers who made it a reality the Quander story expands the scope of that recognition by painting smaller parallel stories addressing what else was ongoing i e incidences events setbacks the cumulative effect of which helped us as people of African descent to hold our heads just as high as other communities Indeed we too shared in the building of this great nation and in seeking to fulfill the American Dream *Town Journal* ,1928 *Stenographer and Phonographic World* ,1906
