Investigating war crimes isn t Assistant Commissioner Caelin Morrow s usual sort of case She normally hunts down corrupt

Commonwealth officials But with the reorganization of the Professional Compliance Bureau s Anti Corruption Division Morrow inherits primary responsibility for military crimes requiring outside scrutiny And for her first case as the new head of Anti Corruption Unit 12 Military Crimes she s heading for the Novaya Sibir star system with her team to look into allegations the elite 212th Pathfinder Squadron committed atrocities on a Protectorate Zone rogue colony But all is not as it seems and dirty politics soon rear their ugly head Unfortunately for those who play fast and loose with the truth Caelin Morrow is not only a superb investigator She ll also do whatever is necessary to take out the garbage The Inevitable Daniel Hope,2023-10-03 Lidia Yuknavitch writes in the introduction to The Inevitable The first time I read Kazuo Ishiguro s Klara and the Sun I bawled my face off Daniel Hope serves up a similar creature a humanoid robot named Tuck and quite quickly in the story Tuck began to remind me more of what matters about the human condition than I learn from most of the humans I know Love stories are not what we ve been told A humanoid robot named Tuck reminds us how to build connections and be ever giving in the face of death and loss In both Klara and the Sun and The Inevitable technological advances have created AIs that form complex relationships with humans In Hope s novel Tuck is a charismatic robot grappling with a very human conundrum the meaning of life and death He is the last bot in the universe after surviving the Bot Riots on Earth by escaping into space He is grieving the loss of his family and forced to wander between planets looking for parts of himself that need replacement in order to stay functional risking exposure even as collectors are hunting him He alleviates his loneliness by adopting an abandoned AI integrated into a spaceship and naming it David after the boy he took care of on Earth The two meet Maze a genetically modified escaped lab experiment who like Tuck has super human speed and strength Maze serves as first mate on a ship owned by a billionaire who offers Tuck the parts he needs in exchange for assistance with her corporate raid against her main rival Tuck finds renewed purpose in his life through Maze and quickly becomes devoted to her Together they must survive in a world where they are at once misfits and precious commodities The Inevitable examines the value of life in a technologically advanced society the definition of humanity and the complex relationships that arise in the gray area between AIs and humans Faraway Edmund Ironside,2013-02-05 Earth Empire has developed incredible technology and it has taken humans half way across the galaxy Entire sentient species have been conquered their worlds and inhabitants exploited brutally Human technology and social structure has been used efficiently but not wisely A sense of malaise has gripped nearly all of the people and they yearn for something better Lost in a fog of bizarre state imposed controls supported by endless propaganda they don t know how to escape their meaningless existence They don t even know what they want At the outermost base called Faraway a small group of humans learn of some ancient writings although incomplete suggesting there is more to life Immersing themselves in the new way they start discovering thoughts like respect compassion community beauty purpose and especially love It s a tenuous beginning and there are those who will suppress the adherents of the new way A struggle begins between the two opposing ways The struggle spreads across the galaxy and

even beyond from Faraway **Spaceports Around the World, A Global Growth Industry** Erik Seedhouse,2016-12-31 This brief presents a concise description of the existing spaceport market the technologies being tested and developed at them and the private companies that are making them possible While NASA has its own plan for the future of space exploration one that includes a new shuttle an interplanetary spacecraft and astronauts going to Mars many people believe that the real future of space exploration is currently centered around dozens of commercial spaceports financed by entrepreneurs inspired not only by profit but by the dream of creating a new space age one not limited by bureaucracies or by budget allocations Commercial spaceports in Florida Texas Oklahoma Virginia and Alaska as well as in countries like Curaao and Sweden are becoming home to dozens of private aerospace companies and provide a place where cutting edge technology can be developed tested and launched into space Based on original interviews with principles at the various companies involved and on site observations at the Mojave Air and Space Port the author traces the early days of the spaceport movement and outlines what lies ahead The Venality Effect James E Taris,2019-12-09 After the underworld battle at Voidline Station Anti Corruption Commission investigator Ellie Reece continues to track the two Faceless Men across the Scorpium Void Ellie follows them from world to world while trying to evade their ever increasing army of corrupt officials hired killers and bounty hunters Eventually her search leads to the frontier world of Kanisa deep inside the Carina Colonies where she finally confronts them and ultimately the employer of the Faceless Men Here she uncovers more than just corruption money laundering and extra judicial deaths squads Confronting the true mastermind of the Faceless Men and their campaign to eradicate the organised crime families Ellie finds the true motivations for the hidden war and the ramifications that will inevitably follow *Hostile Takeover* S. Andrew Swann,2004-11-02 Now in an omnibus edition the Hostile Takeover trilogy introduces a planet where the only laws are those of self preservation and profit Bakunin is a world with a law unto itself the only human colonized planet that has consistently refused to join the Terran Confederacy or permit any form of organized government to take root When the TEC the covert operations and enforcement branch of the Confederacy decides to do something about Bakunin Colonel Klaus Dacham is the man they put in charge His opening target is Dominic Magnus the head of Godwin Arms and Armament Though Dom loses the first battle he his allies and his surviving employees carefully plan their own return strike Until they receive a desperate message from one of their own revealing what the TEC is really up to on Bakunin Suddenly the stakes are far beyond personal revenge Bakunin is about to become an unwitting pawn in a Confederacy wide power struggle And to the mastermind behind the entire plan it doesn't really matter whether anyone on the planet is left alive at the end of it so long as TEC achieves its goal **Star Wars®: The Last of the Jedi #2: Dark Warning** Jude Watson,2012-08-01 After the events of Episode III Obi Wan Kenobi is alone in the galaxy and on the run from Darth Vader and the Empire Obi Wan Kenobi faces another threat in the time after Episode III An Introduction to the Spaceport Industry Janet K. Tinoco,Chunyan Yu,Diane Howard,Ruth E. Stilwell,2020-05-26 This book

provides a contemporary look at spaceports not only from relevant technological drivers policies and legal perspectives but also from impacts associated with airspace use and aviation stakeholders Economic business financial and environmental considerations issues facing airports transitioning to air and space ports and spaceport planning are discussed Through case and event studies research and analysis along with information obtained through professional experience this book provides an overview of the many benefits unique challenges and issues facing commercial spaceports and spaceport operators Each chapter is a standalone key topic such that the reader can focus on the most compelling issues relevant for them or can view the book as an integrated whole for a full perspective While examples and case studies come largely from the United States the reader can draw conclusions that are independent of country and situation Information on other nation state policies and advancements among other topics is provided to give a global perspective further expanding the relevancy and benefits of the book to both domestic and international audiences An Introduction to the Spaceport Industry Runways to Space fills a gap in the literature providing professionals government officials researchers professors and students deep insights into the fast growing commercial spaceport industry
