Letters from Tove Tove Jansson, 2020-03-10 A virtual memoir in letters by the beloved creator of the Moomins. Tove Jansson's works even her famed Moomin books fairly teem with letters of one kind or another from messages bobbing in bottles to whole epistolary novels. Fortunately for her countless readers her life was no different unfolding as it did in the letters to family friends and lovers that make up this volume: a veritable autobiography over the course of six decades and the only one Jansson ever wrote. And just as letters carry a weight of significance in Jansson's writing those she wrote throughout her life reflect the gravity of her circumstances the depth of her thoughts and feelings and the critical moments of humor sadness and grace that mark an artist's days. These letters penned with characteristic insight and wit provide an almost seamless commentary on Jansson's life within Helsinki's bohemian circles and on her island home. Shifting between hope and despair yearning and happiness they describe her immersion in art studies and her ascension to fame with the Moomins. They speak frankly of friendship and love loneliness and solidarity and also of politics art literature and society. They summon a

particular place and time reflected through a mind finely attuned to her culture her world and her own nature all clearly put into biographical and historical context by the volume's editors both longtime friends of Tove Jansson and in the end draw a complex intimate self portrait of one of the world's most beloved authors *Letters from the Leelanau* Kathleen Stocking,1990 Stocking writes about the people and places she knows so intimately **Letters From Lotusland** Ian Whitcomb,2010-02 Ian Whitcomb One Hit Wonder British Invader of the 1960s and teen heart throb never went home Instead he tried to settle down in Los Angeles County where over the years he produced a Grammy winning CD wrote songs for movies auditioned for butler roles in TV commercials had and lost dogs married successfully and continued to play his ukulele as the ship went down Now the entire soap opera 1996-2008 roped together in hard copy with appropriate photos can be relished as a roller coaster of self pity vaunting and failed ambition jealousy bathos and pathos culminating in a Big Dream In other words this is a comedy book Mainline Show Biz may have passed Whitcomb by but here in these precious pages he creates his own world of heroes and villains with himself as King in order to get sweet revenge through the twisted lingo of his India rubber sword Letters from the Journey Debi Alexander,2015-03-19 Reflections on the dying process and family's grief in a daughter's recounting of her mother's death to cancer Letters from Camp Wilderness Ellen Swanson-Szudajski,2002-10-16 In a world no longer simple with clear enemies and ready strategies to protect oneself the aging warriors from the Vietnam era are forced to once again fight for their lives This time it's not against a peasant force in the steamy jungles of Vietnam defending their homeland This time they find themselves under attack in the forests of their own homeland by a fanatical force of Jihadists dedicated to the destruction of America itself In addition to being vastly outnumbered and aging the Americans have a unique disadvantage they are all amputees The only advantage that the Americans have is now it's their homeland that they are defending To the end it's not clear whether or not that and the few friendlies that are able to be recruited to the cause will be enough to prevail over their adversaries The Vietnam Vets Amputee Group is both inspirational and an ode to those brave soldiers that fought not so long ago They finally might be accorded the respect that they deserve perhaps posthumously from a changed and grateful nation Winning Strategies for Developing Grant Proposals Beverly A. Browning,2006 *Give Your Teacher This Note!* Gwendolyn Jevita Cheatham,2006-07-21 This book is a collection of endearing lively and comical letters notes and comments from students parents These were gathered over a period of 30 years by the author The purpose of the book is to show that parents teachers and administrators share a close and familial relationship The book further demonstrates the pride and devotion parents and educators have for the schools they support Because parents are involved in an enormous array of activities related to their children they frequently write very comical letters notes and comments explaining the child's absences their own opinions on issues important improvements for schools and education in general The publication seeks to bring a smile on the faces of all who read these letters notes and comments
