that Good news not a problem I also cover converting your car to an EV or rather hiring someone to do that for you and EV Rentals I conclude the book with what it would take to own an EV Dealership My EV choices and statements by World Leaders on EVs I evaluate the more popular cars and provide a blank evaluation form so you can make your own evaluations This book is packed with information but I keep it light so you won't get bored Actually that's not true I kept it light so that I wouldn't get bored
