FROM THE BOOK At the time I didn't really believe that anything outside my control would change my life Or at least not in a significant substantial way My life was all about myself and I figured I had complete control over that Anything that happened outside of my control was more or less because I let it happen and didn't feel like stopping it It's funny how one disaster of epic proportion can really make you change your mind

FROM THE AUTHOR Welcome to the epic world of The Starlight Chronicles a young adult fantasy series about a team of fallen Stars with supernatural powers Follow them through this alternatively snarky and sweet series as they become their city's resident superheroes with all the fun and frustration of dragons and swords and homework Look for Book 2 Calling as the battle between good and evil continues on Perfect for young teenagers or disaffected college students or adults who enjoy some wry humor with their reading

WHAT REVIEWERS ARE SAYING If you like Narnia superhero adventures or coming of age tales definitely give this book a try Chandler Brett author of Wolf Code 5 STARS Reader's Favorite Hamilton's inner progress toward heroism feels touchingly genuine and there are plenty of good comic moments to keep the story moving Percy Jackson fans will eagerly await the next volume in the series A fast-paced effective teen paranormal outing Kirkus Reviews
