Small Church Sunday School:

The Small Sunday School Leonidas Franklin Sensabaugh, 1924 *Indispensable Guide for Smaller Churches* David R. Ray, 2009-06-01 This book complements the author's earlier titles from The Pilgrim Press *The Big Small Church Book* and *Wonderful Worship in Smaller Churches* Ray expands on the earlier works by treating such subjects as communal theology theories and tools for understanding smaller churches worship education and finance His vision is to lead even smaller churches toward the year 2030 **Small Church, Excellent Ministry** Jeffrey C. Farmer, 2017-12-21 Pastors of smaller membership churches have a huge calling They are responsible for changing the world Rather than look at the small number of members in their congregations as a limitation pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God *Small Church Excellent Ministry* is a handbook designed for pastors serving in smaller membership churches This book will help you to conduct your ministry with excellence Written by practitioners and professors the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches *Entering the World of the Small Church* Anthony G. Pappas, 2000-11-01 This demonstrates amazingly with unflinching honesty and a wonderfully redeeming sense of humor a resource especially helpful in motivating change and growth by mobilizing the natural strengths of small churches For you who have been looking for a reliable guide to interpret the world of the small church look no further since this provides all the insights you need Includes images and models and strategies that reflect the profound uniqueness of the small church It clearly shows leaders how to lead within the dynamics and culture of the small congregation This is theologically sound and eminently practical A must reading for anyone who is or plans to be a leader in a small church Excellent for small group study **Effective Small Churches in the Twenty-First Century** Carl S. Dudley, 2010-09-01 Dudley's work in *Making the Small Church Effective* 1978 broke new ground in understanding the dynamics of life in the small congregation In this revised edition Dudley revisits the small church posing new questions reflective of the considerable changes that have swept over small churches in the last two decades Among the most significant recent developments are shifts in institutional loyalty and individual's sense of identity in relation to larger groups and organizations Dudley explores the key components that contribute to a small congregation's sense of unity and that motivate its members to more faithfully live out their faith *Smaller Church Youth Ministry* Brad Fiscus, 2016-12-20 *Smaller Church Youth Ministry* highlights the big impact small churches can have on the faith journey of their young people It is designed to encourage and help small churches start build and lead effective disciple making youth ministry Topics include a biblical foundation practical helps tools and activities *Preaching and Worship in the Small Church* Will Willimon, Robert Wilson, 2001-02-22 There is much value in thinking small say William H Willimon and Robert L Wilson The importance of the small membership church is illuminated in this thoughtful and insightful assessment In *Preaching and Worship in the Small Church* authors Willimon and Wilson identify the problems facing small churches and

offer well grounded advice for solving them The need for this is seen in the fact that from one half to two thirds of Protestant churches in the United States are small fewer than two hundred members These tightly knit little communities of faith focus mainly on the very basic and much overlooked fundamentals of Christian theology As the authors note It is in such family like churches that true worship renewal will occur long before their larger counterparts will taste of this fresh new wine This is an affirming book It affirms the role and basic values of the small church It affirms the centrality of Word and Sacrament It affirms the role of the pastor of the small congregation It affirms the laity and their values On this foundation of authentic affirmation can be built creative and inspiring ministries as the laity and the minister serve God together in and through the small church
