Smart Goal For Special Education Administrators:

Developing Teacher Leaders in Special Education Daniel M. Maggin, Marie Tejero Hughes, 2020-07-06 Practical and forward thinking *Developing Teacher Leaders in Special Education* is the administrator's essential guide to growing special educator leadership in any school district or program. Special educators need to be flexible, proactive, and collaborative qualities that make them uniquely suited to roles in school leadership, but these skills are often overlooked when choosing effective teacher leaders. Featuring helpful tips and detailed examples to demonstrate the concepts in action, this book breaks down the qualities that special educators can bring to your school leadership team and explores how you can leverage those skills to create a more inclusive and successful community.

Educational Leadership and Administration: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources, 2016-10-12 The delivery of quality education to students relies heavily on the actions of an institution's administrative staff. Effective leadership strategies allow for the continued progress of modern educational initiatives. *Educational Leadership and Administration: Concepts, Methodologies, Tools, and Applications* provides comprehensive research perspectives on the multifaceted issues of leadership and administration considerations within the education sector. Emphasizing theoretical frameworks, emerging strategic initiatives, and future outlooks, this publication is an ideal reference source for educators, professionals, school administrators, researchers, and practitioners in the field of education.

Special Education Design and Development Tools for School Rehabilitation Professionals Singh, Ajay, Viner, Mark, Yeh, Chia Jung, 2019-12-13 Educators who work with students with disabilities have the unique challenge of providing comprehensive and quality educational experiences for students who have a wide range of abilities and levels of focus. Pedagogies and educational strategies can be applied across a student population, though they tend to have varied success. Developing adaptive teaching methods that provide quality experiences for students with varied disabilities are necessary to promote success for as many of these students as possible. *Special Education Design and Development Tools for School Rehabilitation Professionals* is a comprehensive research publication that examines special education practices and provides in-depth evaluations of pedagogical practices for improved educational experiences for students with disabilities. Highlighting a range of topics such as bilingual education, psychometrics, and physical education, this book is ideal for special education teachers, instructors, rehabilitation professionals, academicians, school administrators, instructional designers, curriculum developers, principals, educational software developers, researchers, and students.
