Claims on Privacy Ankur Mutreja, 2018-01-01 The Claims on Privacy is an essay justifying the categorization of privacy

as a generic natural right like the right to life and liberty An inextricable link has been drawn between dignity and privacy in the essay through the life story of a fictional character XYZ as no contour can really be drawn to an abstract right in a system which can't be tailor made Various articles published by the author on his blog privacy.ankurmutreja.com have also been added as appendices The author is a lawyer and a privacy exponent This essay is his sincere attempt to educate himself about privacy which is a right less understood He makes no claims to educate others Even if the readers get entertained the author would accept it gracefully as an accidental gain

Information Systems and Management in Media and Entertainment Industries Artur Lugmayr, Emilija Stojmenova, Katarina Stanoevska, Robert Wellington, 2017-01-03. This book defines an agenda for research in information management and systems for media and entertainment industries. It highlights their particular needs in production, distribution, and consumption. Chapters are written by practitioners and researchers from around the world who examine business information management and systems in the larger context of media and entertainment industries. Human, management, technological, and content creation aspects are covered in order to provide a unique viewpoint. With great interdisciplinary scope, the book provides a roadmap of research challenges and a structured approach for future development across areas such as social media, eCommerce, and eBusiness. Chapters address the tremendous challenges in organization, leadership, customer behavior, and technology that face the entertainment and media industries every day, including the transformation of the analog media world into its digital counterpart. Professionals or researchers involved with IT systems management, information policies, technology development, or content creation will find this book an essential resource. It is also a valuable tool for academics or advanced level students studying digital media or information systems.

Special Effects on the Screen Martin Lefebvre, Marc Furstenau, 2025-10-01. Since the very first days of cinema, audiences have marveled at the special effects imagery presented on movie screens. While long relegated to the margins of film studies, special effects have recently become the object of a burgeoning field of scholarship. With the emergence of a digital cinema and the development of computerized visual effects, film theorists and historians have been reconsidering the traditional accounts of cinematic representation, recognising the important role of special effects. Understood as a constituent part of the cinema, special effects are a major technical but also aesthetic component of filmmaking and an important part of the experience for the audience. In this volume, new directions are charted for the exploration of this indispensable aspect of the cinematic experience. Each of the essays in this collection offers new insight into the theoretical and historical study of special effects. The contributors address the many aspects of special effects from a variety of perspectives, considering them as a conceptual problem, recounting the history of specific special effects techniques, and analysing notable effects films.

Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. Smartphone Cameras Its All About What Clicks Article : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Smartphone Cameras Its All About What Clicks Article : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Smartphone Cameras Its All About What Clicks Article : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
