Smugglers Of Gor Gorean Saga Book 32:

Smugglers of Gor John Norman, 2014-11-27 Tarl Cabot has always believed himself to be a citizen of Earth. He has no inkling that his destiny is far greater than the small planet he has inhabited for the first twenty odd years of his life. One frosty winter night in the New England woods he finds himself transported to the planet of Gor, also known as Counter Earth, where everything is dramatically different from anything he has ever experienced. It emerges that Tarl is to be trained as a Tarnsman, one of the most honored positions in the rigid caste-bound Gorean society. He is disciplined by the best teachers and warriors that Gor has to offer, but to what end? This is the first installment of John Norman's wildly popular and controversial Gor series, which has sold millions of copies.

Warriors of Gor John Norman, 2022-08-30 The Saga of Gor continues as Tarl Cabot attempts to save a beautiful prisoner from a terrible fate. The daughter of Marlenus, the Ubar of Ar, is now a fugitive sought for betraying the Home Stone of her city. The price on her head could build fleets and hire armies. For years she has been hunted by legions of guardsmen and bounty hunters. Now tricked by a former colleague, Talena has been captured and delivered to Lurius of Jad. Once her esteemed ally, Lurius is now eager to sell Talena's blood for the gold of Ar. But the reward cannot be claimed until the prisoner is delivered. Between the port of Jad and the mighty gates of Ar lie dangerous waters and harrowing wildernesses, the threats of beasts and the menace of men. Tarl Cabot, a seaman and warrior of Port Kar, once the free companion of Talena, chooses to risk everything to save his former companion. In this rousing adventure, we encounter the steel of warriors, the stealth of Assassins, the savagery of monstrous Kurii, the passions and beauty of needful vulnerable collared slaves, the subtleties of Scribes of the Law, and the ambition and ruthlessness of men who want nothing less than the throne of Ar itself.

Treasure of Gor John Norman, 2024-04-23 A brilliant woman's dangerous discovery on Earth leads to her enslavement on the planet Gor in this long-running sci-fi fantasy series. In a remote corner of the American southwest, there is a small private observatory. To most of the staff, it is just another stargazing facility. But a select few know its true function as a liaison point between two alien worlds: the decimated planet of the warlike Kurii and the planet Gor, which the Kurii now covet. When the young scientist Agnes Morrison Atherton comes across an unintelligible file containing mysterious coordinates, she decides to decode them and discovers two large spherical, seemingly artificial objects in the asteroid belt. But it seems that Atherton's remarkable discovery is less than welcome. Abducted and drugged, she awakens to find herself on the planet Gor, being sold as a Gorean slave girl.

Mercenaries of Gor John Norman, 2014-04-01 Tarl Cabot is caught up in intrigues and rivalries on the planet of Gor in this science fantasy adventure. On Gor, there are numerous mercenary companies, some larger, some smaller, whose services may be purchased or bid upon for given periods of time. The allegiance of these companies is to their pay and their captains. The forces of Cos and Tyros, powerful maritime ubarates and their allies, have now beached upon the mainland and are utilizing the city of Torcodino as a repository for supplies in preparation to march on a nigh undefended and unprepared Ar. Should Ar fall, the disinterested

tolerances and neutralities and even the balance of power long sustained between Ar and the great maritime ubarates things that made the existence of the independent companies possible will vanish a development threatening the very existence of the independent companies But when Cabot arrives in Ar it is a city rife with doubt dissension and treason To whom shall the letters be delivered and whom can he trust Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire Mercenaries of Gor is the 21st book in the Gorean Saga but you may enjoy reading the series in any order **Witness of Gor** John Norman,2014-04-01 Ar defeated shamed and systematically looted is occupied by Cosian forces Perhaps Marlenus of Ar alone the great ubar could remind the men of their Home Stone and its meaning But it is thought that he perished in the Voltai Young women from Earth brought to Gor are commonly taken to the markets to be branded collared and sold as the delicious lovely livestock they are Such is the case of a young woman whom we shall call Janice for that was her Gorean slave name In the prison pits of piratical Treve there exists a chained prisoner who believes himself to be of the Gorean peasantry The nature and even the existence of this prisoner strangely enough is a closely guarded secret In order to better keep this secret it is decided that his servant and warder had best not be a native Gorean Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire Witness of Gor is the 26th book in the Gorean Saga but you may enjoy reading the series in any order **Smugglers of Gor - Special Edition** John Norman,2013-03 John Norman s epic Gorean Saga is one of the longest running and most successful series in the history of fantasy It is also one of the most controversial Over the course of more than thirty books produced over a span of six decades the series has sold millions of copies and built legions of fans unrivaled in their devotion E Reads invites you to rediscover this brilliantly imagined world where men are masters and women live to serve their every desire SMUGGLERS OF GOR Book 32 of the Gorean Saga In what constitutes as a prequel to MARINERS OF GOR we learn that a mysterious cargo suitably disguised was covertly placed on the great ship a cargo that might influence the outcome of the
