South African Broadcast Corporation Annual Report:

Annual Report South African Broadcasting Corporation, 2004

Public Service Broadcasting in the Age of

Globalization Indrajit Banerjee, Kalinga Seneviratne, 2006 Takes a scholarly perspective aimed at creating debate about the role and function of public service broadcasting at a time that it is facing a variety of threats from governments and from commercialization of broadcasting This book gives a global perspective on the state of public service broadcasting in the age of globalization

Media and the Empire Ruth Teer-Tomaselli, Donal McCracken, 2017-10-02 This volume on print and broadcast media in the 19th and 20th centuries highlights the pivotal role that the media played in the establishment and maintenance of imperial power The media bolstered both the ideological and financial objectives of the empire in a myriad of overt covert and downright scandalous ways From jeopardising the introduction of wireless telegraphy in order to maximise the financial gains of the investors of under sea cabling to newspaper proprietors cashing in on the thrilling wonderful and sometimes fabricated adventures of war correspondents in exotic lands the media has had a constant background influence in the public's perception of empire By covering diverse topics from Anthony Lejeune's radio talk show London Letters which supported the Allies by boosting morale and providing a link between soldiers fighting abroad and their families during both World Wars to the complete subversion of imperial influence as in the case of the proliferation of diverse media platforms being used by migrant communities in Britain as a means to promote colonization in reverse the book hints at the politics suspense and intrigue of both the print and broadcast sectors This book was originally published as a special issue of Critical Arts

Johannesburg Keith Beavon, 2022-08-01 Until now there has been no single text that brings together the material that reveals the unfolding geography of Johannesburg South Africa This book describes the history of the city from its days as a mining camp to its position of premier metropolis in Africa The present geography of Johannesburg and the problems and dysfunctions that it has exhibited at various stages in its history since 1886 cannot be understood without a firm grasp of what has evolved of the past 120 years

Media Power and Hegemony in South Africa Blessed Ngwenya, 2020-11-15 This book critically explores how meanings of independence are constructed and reconfigured by public service broadcasters in the global south with a particular focus on the South African Broadcasting Corporation SABC Blessed Ngwenya questions the institutional political economy and world systems paradigms born out of coloniality which continue to influence broadcasting and media in the global south and instead presents a radical local understanding of freedom in the present day The author draws on detailed empirical interviews with members of staff from across the SABC including board members senior management and journalists offering an intimate insight into how the participants themselves perceive understand and deal with the issues and problems they face in relation to independence Framed by a rich analysis of the historical context this book provides readers with the theoretical and empirical toolkit needed to place the everyday experiences and needs of their subjects first and to ultimately arrive at an accurate understanding of independence in its several senses

Contributing to growing global debates on the decolonisation of knowledge this book is critical reading for advanced scholars and researchers of African media culture communication and epistemic freedom The Press and Apartheid William A. Hachten, C. Anthony Giffard, 1984-06-18 **Composing the Music of Africa** Malcolm Floyd, 2018-12-17 First published in 1999 this volume explores the great diversity of music created by African communities is reflected in this book which discusses the ways in which a wide range of musical forms are composed and performed from Egypt to South Africa and from Ghana to Kenya As two composers explain here this diversity provides much inspiration for western contemporary composition Particular attention is paid to the contexts generate musical creativity Ceremonies and festivals celebrating birth death marriage or rites of passage provide the impetus for much composition and performance enabling young people to pick up early on some of the techniques and styles of which they then become the new exponents The book also looks at the role played by formal music education programmes and bodies such as the South African Music Rights Organization and the South African Broadcasting Corporation in fostering musical activity as well as the contribution of composers to the social and political changes that have dominated South African life in recent years **Communication and Democratic Reform in South Africa** Robert B. Horwitz, 2001-04-09 The book examines the reform of the communication sector in South Africa as a detailed and extended case study in political transformation the transition from apartheid to democracy The reform of broadcasting telecommunications the state information agency and the print press from apartheid aligned apparatuses to accountable democratic institutions took place via a complex political process in which civil society activism embodying a post social democratic ideal largely won out over the powerful forces of formal market capitalism and older models of state control In the cautious acceptance of the market the civil society organizations sought to use the dynamism of the market while thwarting its inevitable inequities Forged in the crucible of a difficult transition to democracy communication reform in South Africa was navigated between the National Party s embrace of the market and the African National Congress leadership s default statist orientation Homelands, Harlem and Hollywood Rob Nixon, 2022-10-05 Originally published in 1994 Homelands Harlem Hollywood examines the anti colonialist struggle against apartheid and the ways in which American and South African culture have been fascinated with and influenced by one another Rob Nixon s wide ranging analysis looks at Hollywood representations of the struggle for liberation the impact of the Harlem Renaissance on the Sophiatown writers the banning and censorship of television under apartheid Mandela and messianic politics the sports and cultural boycotts ethnic nationalism and the culture of violence Nixon concludes with an investigation of how the collapse of communism and anti communism and the rise of ethnic cleansing in Eastern Europe and the former Soviet Union had powerful implications for the shape of post apartheid South Africa Investment in Union of South Africa United States. Bureau of Foreign and Domestic Commerce, 1954 **South Africa and the International Media, 1972-1979** James Sanders, 2012-10-12 This book studies the Anglo American media s representation of South Africa in the 1970s the international media is shown to

have been under continuous pressure from both the South African Dept of Information and the anti apartheid movement

Investment in the Union of South Africa, Conditions and Outlook for United States Investors United States. Foreign Commerce Bureau,1954 *Popular Music Censorship in Africa* Dr Michael Drewett,Professor Martin Cloonan,2013-01-28 In Africa tension between freedom of expression and censorship in many contexts remains as contentious if not more so than during the period of colonial rule which permeated the twentieth century Over the last one hundred years popular musicians have not been free to sing about whatever they wish to and in many countries they are still not free to do so This volume brings together the latest research on censorship in colonial and post colonial Africa focusing on the attempts to censor musicians and the strategies of resistance devised by musicians in their struggles to be heard For Africa the twentieth century was characterized first and foremost by struggles for independence as colonizer and colonized struggled for territorial control Throughout this period culture was an important contested terrain in hegemonic and counter hegemonic struggles and many musicians who aligned themselves with independence movements viewed music as an important cultural weapon Musical messages were often political opposing the injustices of colonial rule Colonial governments reacted to counter hegemonic songs through repression banning songs from distribution and or broadcast while often targeting the musicians with acts of intimidation in an attempt to silence them In the post independence era a disturbing trend has occurred in which African governments have regularly continued to practise censorship of musicians However not all attempts to silence musicians have emanated from government nor has all contested music been strictly political Religious and moral rationale has also featured prominently in censorship struggles Both Christian and Muslim fundamentalism has led to extreme attempts to silence musicians In response musicians have often sought ways of getting their music and message heard despite censorship and harassment The book includes a special section on case studies that highlight issues of nationality **Annual Report and Financial Statements** South African Broadcasting Corporation,2002 **Starring Mandela and Cosby** Ron Krabill,2010-09-15 Media democratization and the end s of apartheid Structured absences and communicative spaces In the absence of television They stayed til the flag streamed Surfing into Zulu Living with the Huxtables in a state of emergency I may not be a freedom fighter but I play one on TV Television and the afterlife of apartheid **Social Memory as a Force for Social and Economic Transformation** Muxe Nkondo,2023-02-01 This volume of essays is a reflection on social memory as a force for social and economic transformation Written by scholars and organic intellectuals it focuses on the uses of social memory in particular the conflict between the legacies of colonialism and the movement for fundamental change The content addresses both experts and ordinary citizens alike with a view to advancing discourse on where we are right now and how we move on from here to achieve meaningful transformation As scholars and public representatives with a deep understanding of the social economic and political dynamics of modern history of South Africa the contributors offer their unique perspectives and reflections on history politics economics culture

education ethics and the arts as well as the links that bind these aspects into an ecology of ideas and attitudes *The Handbook of Communication History* Peter Simonson,2013 The Handbook of Communication History addresses central ideas social practices and media of communication as they have developed across time cultures and world geographical regions It attends to both the varieties of communication in world history and the historical investigation of those forms in communication and media studies The Handbook editors view communication as encompassing patterns processes and performances of social interaction symbolic production material exchange institutional formation social praxis and discourse As such the history of communication cuts across social cultural intellectual political technological institutional and economic history The volume examines the history of communication history the history of ideas of communication the history of communication media and the history of the field of communication Readers will explore the history of the object under consideration relevant practices media and ideas review its manifestations in different regions and cultures comparative dimensions and orient toward current thinking and historical research on the topic current state of the field As a whole the volume gathers disparate strands of communication history into one volume offering an accessible and panoramic view of the development of communication over time and geographical places and providing a catalyst to further work in communication history **Sports Media Rights in the Age of Streaming and Platformisation** Tom Evens,Paul Smith,2024-12-18

Against a backdrop of increased online distribution of media this book provides an in depth analysis of how the platformisation of television is both shaping and being shaped by the changing sports media market Beginning by looking at the business models and strategies of the major stakeholders involved in the sports broadcasting value chain the authors go on to focus on the challenges and opportunities posed by the growth of OTT delivery for the regulation of sports broadcasting in several key areas including copyright law and piracy competition issues linked to the buying selling and distribution of premium sports content and legislation designed to safeguard coverage of certain national and international sporting events for free to air television Key areas of continuity such as the persistence of national regional markets the importance attached to premium sports rights by rival delivery platforms as a source of market power and the need to update key areas of policy and regulation in order to address challenges posed by the use of OTT delivery are also discussed This book makes use of a range of international and regional examples and case studies not least the Olympic Games and the FIFA World Cup and identifies different strategies employed in the buying selling and distribution of sports rights for all major parties in the sports media value chain including new entrant OTT players traditional pay TV operators public service broadcasters and a range of international sports organizations Providing a complete assessment of the relevance and future effectiveness of key areas of policy and regulation in sports media distribution this book is recommended reading for advanced students and researchers of Sports Media Sports Management and Media Industries *Community media: A good practice handbook* Steve Buckley,2011 **Annual Report** British Broadcasting Corporation,1928
