

Spanish II Final Exam Study Guide

The final exam will focus predominantly on the topics that have been covered during the second semester. **HOWEVER**, keep in mind that content from the second semester often builds upon previous material, and it is possible that some of that previous material will appear on the exam as well. In addition, topics that are covered continually and/or incrementally over the course of the year (e.g., present and preterite tenses) will be included as well.
