twentieth century It was the most popular imported car in America in the 1960s and before that it enjoyed a humble beginning as the people's car in its native Germany The Complete Book of Classic Volkswagens encompasses the evolution of the popular Beetle as well as other variations of Volkswagen's air-cooled cars vans and trucks Thoroughly illustrated this is an invaluable reference to Volkswagen's collectible and iconic cars The history of VW automobiles is just as colorful as the hues they were manufactured in and this book illustrates the full story German automakers originally sought to supply their countrymen with an automobile that was easy to mass produce By 1938 they finalized the design for the VW Bug the first rear-engined rear-wheel-drive configured car In its heyday the rounded Beetle was produced at a rate of more than one million per year Today with more than 23 million cars built the Beetle holds the record as the most produced passenger car of all time But the Beetle is only one part of The Complete Book of Classic Volkswagens The rest from Type 2 vans pick-ups and campers to the Type 113 Super Beetle is included here If you're the owner of a Volkswagen or if you just love their iconic look and you're interested in their evolution this book deserves a place on your bookshelf *The Great Poster* Dr. Jack Poster, 2019-08-01 This is a true story of my life I dedicate this entertainment chronicle to my late father Seymour and mother Sarah As in many stories this one has twists and turns happiness sadness reality farce and most importantly the way life really is whether your beliefs or values are moral or not People will shit on you I've broken this novel into sections the beginning a little shot with some humor and the foundations for what my life became and is today The story progresses into a normal young adult life with a twist and then right into young teen life where my life really began to change As a young adult I became aware as many do of money fame and sexuality Adult life raised a whole new adventure to my credo of wow I can do this and get away with that True but not always the correct methods of getting there wherever there is I'll be telling the stories of my experiences in the entertainment industry from 1967 until I left Las Vegas in 1992 Then a renewed life from 1992 until today One of my motto's no matter what you do things really don't change and people are the same no matter where or when you associate with them It is what it is This is a must-read for everyone Most will either say I'm making it up or it's too hard to believe one Great Poster could do all that I've done in my life time As my parents would say ENJOY
