Some Chapters Of My Life Story:

Who Am I? My Story and Philosophies Rolf Harms, 2017-12-18 This autobiography offers a compelling insight into the struggles and achievements experienced by this farm boy in postwar Germany. He leaves home at fifteen to seek his fortune in the unknown future. We experience his exhilarating arrival in New York City as a young teenager on his own. We follow his years at sea and share in his becoming an illegal alien hiding out in plain sight in Brooklyn, New York. The story follows an incredible career in the corporate world where he amassed an impressive knowledge of the credit card business as it develops to a multibillion dollar industry that left an indelible impact on society. Rolf's contributions to the American Express credit card expansion is reflected in the impressive promotional opportunities achieved. The book summarizes his career and highlights his passion to fight fraud on credit cards and provides an interesting insight into this field of work. Following a corporate career at AMEX, the author becomes a realtor and opens his own office. His views on real estate following the 9/11 era makes for an interesting commentary on our time. Finally, we explore the philosophical views this author has developed during his journey. His ideas on who we are or have become is reflected in the book's title *Who Am I*. **The Gathering, A Womanist Church** Irie Lynne Session, Kamilah Hall Sharp, Jann Aldredge-Clanton, 2020-08-21 A womanist church has great power to transform church and society primarily because womanist theology centers the experiences of Black women while working for the survival and wholeness of all people and all creation. Experiences of the triple oppression of racism, sexism, and classism give Black women an epistemological insight into recognizing injustice and creating solutions that benefit all. The Gathering is unique, the only church founded and identified as womanist, applying womanist theology to the full life and worship of a church. The Gathering, a womanist faith community in Dallas, Texas, welcomes all people to partner in pursuing racial equity, LGBTQ equality, and dismantling PMS, patriarchy, misogyny, and sexism, following Jesus in liberating the oppressed and lifting up the marginalized. The Gathering, A Womanist Church, tells the story of the birth and ongoing development of a womanist faith community. This book includes personal narratives of people transformed in this community, womanist co-pastors' sermons informed by their experiences, and those of other Black women, and litanies for womanist worship. **Ellai's Book** Ella June Whittaker Wolf, 2012-10-16 A five-year-old Meckling, South Dakota, farm girl climbs up on the chair next to her mother. The church organ is playing a hymn, and she begins to sing at the top of her lungs. Heads started turning, and smiles broke out all around. This young girl grew up listening to great music and wonderful singing. She also loved to watch and listen to the birds sing their special songs. A dream was born to her to sing beautiful music also. This dream revealed her on stage singing the lead role in an opera with full orchestral accompaniment and costumes. This spectacle was surely unusual for one who had never seen an opera performed. Young Ella June embarked on a blessed quest to reach her dream of singing opera in New York City. *Ellas Book: The Blessed Quest* describes her journey under God's faithful blessing to be with us through it all. *The Cambridge bibliography of English literature. 3. 1800 - 1900* Frederick
