The Writings of Carlos Fuentes Raymond L. Williams, 1996-01-01 In this book Raymond Leslie Williams traces the themes of history culture and identity in Fuentes work particularly in his complex major novel Terra Nostra He opens with a biography of Fuentes that links his works

to his intellectual life a life that has been centrally concerned with finding and defining the source and character of Latin American culture The heart of the study is Williams extensive reading of the novel *Terra Nostra* in which Fuentes explores the presence of Spanish culture and history in Latin America Williams concludes with a look at how Fuentes other fiction relates to *Terra Nostra* including Fuentes own division of his work into fourteen cycles that he calls *La Edad del Tiempo* and with an interview in which Fuentes discusses his concept of this cyclical division

The Power of Culture Priscilla Roberts, 2016-01-14 China and the United States two massive economic and military powers cannot avoid engaging with each other Enjoying what is often termed the most important bilateral relationship in the world the two sometimes cooperate but often compete as their interests come into conflict Both countries are separated not just by the Pacific Ocean but also by their very different histories experiences societies customs and outlooks Non governmental unofficial relationships and exchanges are often as important as formal dealings in determining the climate of Sino American relations For several decades in the mid twentieth century Chinese and Americans were virtually isolated from each other trapped in icy hostility Chinese scholars are now making up for lost time This assortment of essays most by mainland Chinese academics and students focuses upon the role of culture very broadly defined in Sino American affairs Taking a holistic approach in this collection over thirty authors focus on such topics as the influence of ideology the impact of geopolitics the use of rhetoric soft power educational encounters and exchanges immigration gender race identity literature television movies music and the press Cultural factors are as the authors demonstrate enormously significant in affecting how Chinese and Americans think about and approach each other both as individuals and at the state level

Evolution and Eugenics in American Literature and Culture, 1880-1940 Lois A. Cuddy, Claire M. Roche, 2003 Charles Darwin s theory of descent suggested that man is trapped by biological determinism and environment which requires the fittest specimens to struggle and adapt without benefit of God in order to survive This volume focusses on how American literature appropriated and aesthetically transformed this and related theories

American Literature in Transition, 1910-1920 Mark W. Van Wienen, 2017-12-28 *American Literature in Transition 1910 1920* offers provocative new readings of authors whose innovations are recognized as inaugurating Modernism in US letters including Robert Frost Willa Cather T S Eliot Ezra Pound Gertrude Stein H D and Marianne Moore Gathering the voices of both new and established scholars the volume also reflects the diversity and contradictions of US literature of the 1910s Literature itself is construed variously leading to explorations of jazz the movies and political writing as well as little magazines lantern slides and sports reportage One section of thematic essays cuts across genre boundaries Another section oriented to formats drills deeply into the workings of specific media genres or forms Essays on institutions conclude the collection although a critical mass of contributors throughout explore long term literary and cultural trends where political repression race prejudice war and counterrevolution are no less prominent than experimentation progress and egalitarianism

Transmodern Christian

Kravagna,2022-10-11 How can we reconfigure our picture of modern art after the postcolonial turn without simply adding regional art histories to the Eurocentric canon Transmodern examines the global dimension of modern art by tracing the crossroads of different modernisms in Asia Europe and the Americas Featuring case studies in Indian modernism the Harlem Renaissance and post war abstraction it demonstrates the significance of transcultural contacts between artists from both sides of the colonial divide The book argues for the need to study non western avant gardes and Black avant gardes within the west as transmodern counter currents to mainstream modernism It situates transcultural art practices from the 1920s to the 1960s within the framework of anti colonial movements and in relation to contemporary transcultural thinking that challenged colonial concepts of race and culture with notions of syncretism and hybridity **Twentieth-Century Spanish**

American Fiction Naomi Lindstrom,2013-12-06 Spanish American fiction became a world phenomenon in the twentieth century through multilanguage translations of such novels as Gabriel Garcia Marquez s One Hundred Years of Solitude Manuel Puig s Kiss of the Spider Woman Octavio Paz s Labyrinth of Solitude and Isabel Allende s House of the Spirits Yet these blockbusters are only a tiny fraction of the total rich outpouring of Spanish language literature from Latin America In this book Naomi Lindstrom offers English language readers a comprehensive survey of the century s literary production in Latin America excluding Brazil Discussing movements and trends she places the famous masterworks in historical perspective and highlights authors and works that deserve a wider readership Her study begins with Rod s famous essay Ariel and ends with Rigoberta Mench s 1992 achievement of the Nobel Prize Her selection of works is designed to draw attention whenever possible to works that are available in good English translations A special feature of the book is its treatment of the postboom period In this important concluding section Lindstrom discusses documentary narratives the new interrelations between popular culture and literary writing and underrepresented groups such as youth cultures slum dwellers gays and lesbians and ethnic enclaves Written in accessible nonspecialized language Twentieth Century Spanish American Fiction will be equally useful for general readers as a broad overview of this vibrant literature and for scholars as a reliable reference work **Weldon Kees and the Arts at Midcentury**

Daniel A. Siedell,2003-01-01 Born in 1914 in Beatrice Nebraska and presumed dead in 1955 when he apparently leapt from the Golden Gate Bridge Weldon Kees has become one of the better known unknown American poets of the twentieth century his fiction and poetry largely kept alive by other poets But Kees was also that rare artist who excelled in many genres and media a skillful painter filmmaker jazz musician and composer He was a gifted critic as well and his criticism bears the marks of his own deep and broad engagement with the arts Weldon Kees and the Arts at Midcentury is the first book to reflect the full range and reach of Kees s artistic activities Bringing together writers from various disciplines art historians poets literary critics curators and cultural scholars including Dore Ashton James Reidel Dana Gioia and Stephen C Foster this volume offers a wide variety of perspectives through which to evaluate the meaning and significance of Kees s achievement Although the essays themselves

partake of the diversity of Kees's impact on the culture all agree on one fundamental point any history of postwar American culture that neglects Kees's multifaceted contribution is ultimately incomplete
