Song Of My Life A Memoir:

Song of My Life Harry Mark Petrakis, 2014-11-20 With the discipline of a surgeon performing a critical operation acclaimed storyteller Harry Mark Petrakis strips away layers of his nine decades of life to expose the blood and bone of a human being in his third memoir and twenty fifth book *Song of My Life* Petrakis is unsparing in exposing his own flaws from a youthful gambling addiction to the enormous lie of his military draft to a midlife suicidal depression Yet he is compassionate in depicting the foibles of others around him Petrakis writes with love about his parents and five siblings with nostalgia as he describes the Greek neighborhoods and cramped Chicago apartments of his childhood and with deep affection for his wife and sons as he recalls with candor comedy and charity a writer's long fully lived life Petrakis recounts the near fatal childhood illness which confined him to bed for two years and through hours of reading during the day and night nurtured his imagination and compulsion toward storytelling A high school dropout Petrakis also recalls his work journey in the steel mills railroad depots and shabby diners of the city There is farce and comedy in the pages as he describes the intricate framework of lies that drove his courtship of Diana who has been his wife of sixty nine loving years Petrakis shares his struggles for over a decade to write and publish and finally poignantly describes the matchless instant when he holds his first published book in his hands The chapters on his experiences in Hollywood where he had gone to write the screenplay of his best selling novel *A Dream of Kings* are as revealing of the machinations and egos of moviemaking as any Oliver Stone documentary Petrakis's individual story as fraught with drama and revelation as the adventures of Odysseus comes to an elegiac conclusion when at the age of ninety he ruminates on his life and its approaching end With a profound and searing honesty this self exploration of a solitary writer's life helps us understand our own existences and the tapestry of lives connecting us together in our shared human journey

recalls working with black white and later desegregated church choirs teaching school choirs with forced busing mandates and directing public performances Woven into those stories are the loves and heartbreaks of a vivid and compassionate woman s life bittersweet at times but never half hearted Bennie s love for her music and for her students touched lives from Marshall to Dallas to Denver Later when she lay at home with a Do Not Resuscitate sign on her front door she received calls from former students whose lives she had touched decades before returning to her the love she had always given them
