Writing American Indian Music Victoria Lindsay Levine, 2002-01-01 This edition explores the history of musical contact interaction and exchange between American Indians and Euramericans as documented in musical transcriptions notations and arrangements The volume contributes to an understanding of American music that reflects our cultural reality depicting reciprocal influences among Native Americans scholars composers and educators and illustrating consequences of those encounters for American musical life in general

Culled from a published record of over 8 000 songs the edition contains 116 musical examples reproduced in facsimile Included in the volume are the earliest attempts to represent tribal music in European notation archetypal transcriptions in the scholarly literature of ethnomusicology and recent contributions by contemporary scholars Some of the notations shown here inspired composers in search of a distinctively American musical idiom to write works based on American Indian melodies Others captured the imagination of American school children whose concept of cultural and musical identity came to be linked with American Indians Indigenous notations the work of native scholars and educators and recent compositions by native composers working in the classical vein also appear in this volume As a compendium of historic materials the edition illustrates the development of Euramerican attitudes and approaches to American Indian musics the infusion of native musics into American musical culture and native responses to and participation in the enterprise

Radical Health Julie Avril Minich,2023-09-25 In *Radical Health* Julie Avril Minich examines the potential of Latinx expressive culture to intervene in contemporary health politics elaborating how Latinx artists have critiqued ideologies of health that frame wellbeing in terms of personal behavior Within this framework poor health obesity asthma diabetes STIs addiction and high risk pregnancies is attributed to irresponsible lifestyle choices among the racialized poor Countering this Latinx writers and visual artists envision health not as individual duty but as communal responsibility Bringing a disability justice approach to questions of health access and equity Minich locates a concept of radical health within the work of Latinx artists including the poetry of Rafael Campo the music of Hurray for the Riff Raff the fiction of Angie Cruz and the performance art of Virginia Grise Radical health operates as a modality that both challenges the stigma of unhealth and protests the social conditions that give rise to racial health disparities Elaborating on this modality Minich claims a critical role for Latinx artists in addressing the structural racism in public health

The Navigator's Dream, Volume 3 Julia A. Turk,2012-02 In this third and final volume of Julia Turk's *Navigator's Dream* series the Navigator makes one final voyage into the realm of tarot to ultimately find enlightenment but it will be much more difficult than a simple turn of the cards for our psychiatrist turned philosopher and mystic In *Seatime* the hero ascends into the Major Arcana of the tarot deck via a sailboat led by the Higher Self of the Navigator known as Guide Joined together with a motley crew the sailboat takes the Navigator and Guide deep within the islands or Sephiroth of the Mystic SEA These are not tropical islands intended for peace and comfort each island is different than the last and each carries a mystery that must be unraveled Although the Navigator has learned much amidst the tarot cards has the hero learned enough to make it home Externally the Navigator has difficulties but internally there are problems as well as the riddles unravel so do the deeply held psychological issues of the Navigator By the end the mysteries of the Major Arcana might be solved but will the Navigator be able to heal the wounds built prior to the tarot adventure

The Phantom in Focus: A Navigator's Eye on Britain's Cold War Warrior David Gledhill,2014-03-26 Have you ever wondered what it was like to fly the Phantom This is not a potted history of an aeroplane nor is it Hollywood glamour as

captured in Top Gun This is the story of life on the frontline during the Cold War told in the words of a navigator who flew the iconic jet Unique pictures many captured from the cockpit show the Phantom in its true environment and show why for many years the Phantom was the envy of NATO It also tells the inside story of some of the problems which plagued the Phantom in its early days how the aircraft developed or was neglected and reveals events which shaped the aircraft's history and contributed to its demise Anecdotes capture the deep affection felt by the crews who were fortunate enough to cross paths with the Phantom during their flying careers The nicknames the aircraft earned were not complimentary and included the Rhino The Spook Double Ugly the Flying Brick and the Lead Sled Whichever way you looked at it you could love or hate the Phantom but you could never ignore it for its sheer power and lethal payload The Phantom in Focus A Navigator's Eye on Britain's Cold War Warrior is unique in that the author flew in the legendary Phantom in the front line and captured beautiful and amazing unpublished photographs that will appeal to historians military specialists and modellers alike **Trash**

Haulers Sam McGowan, 2011-12-15 On August 23 1954 the most successful airplane in aviation history took to the skies on its maiden flight A little over two years later the first operational airplanes were delivered to the 463rd Troop Carrier Wing at Ardmore AFB Oklahoma Over the next 21 years Tactical Air Command United States Air Forces Europe and Pacific Air Forces troop carrier tactical airlift crew amassed a heroic and impressive record from Africa to Vietnam Trash Haulers is a revision of a 1988 TAB Aero publication by Sam McGowan who was part of that mission The Strange Sound of Cthulhu:
