Language Love follows the path that language takes through a human life from an infant's first attempts at sense making to the vulnerabilities and losses that accompany aging. As Sedivy shows, however, language and life are inextricable, and here she offers them together. A childish misunderstanding of her mother's meaning reveals the difficulty of relating to other minds; frustration with professional communication styles exposes the labyrinth of standards that define success; the first signs of hearing loss lead to a meditation on society's discomfort with physical and mental limitations. Part memoir, part scientific exploration, and part cultural commentary, this book epitomizes the thrills of a life steeped in the aesthetic delights of language and the joys of its scientific scrutiny.

The Ash Tree Event Chester B. Davis, 2010-09-22 It was in a dimly lit diner where Lincoln ambitiously waited to meet his one true love. Although it seemed impossible, there was something hauntingly familiar about his surroundings. Could it really be her? Lincoln thought as he watched scenes from his dream unfold before his eyes. Meanwhile, Vanessa thought her journey to find Lincoln was over. She believed that the man she loved since the precious age of fourteen had long since forgotten her. Unaware that fate had led her there with the intent to heal her heart, Vanessa graciously refused a familiar stranger's offer to buy her a meal, but had she known that person was Lincoln, she would have never declined. The Ash Tree Event was the result of Lincoln and Vanessa's ten-year separation. It revealed their passion for each other and brought them together yet again to confirm a hidden love once believed to be nothing more than a childhood crush.

Children's Books in Print, 2007, 2006 **Love, Greg & Lauren** Greg Manning, 2002-03-05 Early on the morning of September 11, 2001, Lauren Manning, a wife, the mother of a ten-month-old son, and a senior vice president and partner at Cantor Fitzgerald, came to work as always at One World Trade Center. As she stepped into the lobby, a fireball exploded from the elevator shaft, and in that split second, her life was changed forever. Lauren was burned over 82.5 percent of her body. As he watched his wife lie in a drug-induced coma in the ICU of the Burn Center at New York Presbyterian Hospital, Greg Manning began writing a daily journal. In the form of e-mails to family, friends, and colleagues, he recorded Lauren's harrowing struggle and his own tormented efforts to make sense of an act that defies all understanding. This book is that e-mail diary: detailed, intimate, inspiring messages that end always as if a prayer for a happy outcome. LOVE, GREG & LAUREN We share this story day by day, astonishing day. Greg writes of the intricate surgeries, the painful therapies, and the constant risk of infection Lauren endured. Through his eyes, we come to know the doctors, nurses, aides, and therapists who cared for her around the clock with untiring devotion and sensitivity. We also come to know the families with whom he shared wrenching hospital vigils for their own loved ones who were waging a battle that some would not win. It was most of all Greg's belief that Lauren would win her brave fight for life that kept him writing. Through his eyes, we see what she could not: their toddler's first steps, the video of his first birthday party, the compassionate messages of hope from around the world. And we are there as Lauren gradually emerges into awareness, signaling first with her eyes, then with smiles, her understanding of the words Greg speaks.

to her the poems he recites the songs he plays Most miraculously we are there when Lauren walks out of the Burn Center The world knows all too well both the nightmare and the heroism that have marked this terrible time in history But no account of September 11 matches the astonishing personal story Greg Manning records in these spontaneous and heartfelt pages It is a story that invites us to share e mail after e mail the perilous course of a mortally wounded woman who by sheer will and courage emerges from near death because she is determined to live for her husband and her son And it is equally the story of a man who as he stays by her side through these long weeks and months discovers anew the depth of his love and admiration for the woman who becomes his hero
