The time it took to create your beautiful face will also undo that beauty and destroy it.

Just as winter inevitably comes to destroy the beauty of spring and summer, so will time destroy your beauty.

Without perfume, we'd never know or be able to remember the beauty of summer.

The flowers used to make perfume only lose their physical beauty when winter comes. Their beautiful essence still remains.

Theme Statement:

The essence of beauty lasts forever.

Speaker = someone older with life experience / speaking about a younger, beautiful subject
