siege and with most of al Am n s associates having switched their loyalties to the winning side the caliph was forced to sue for terms These were worked out among representatives of al Am n Tahir and Harthamah However when the caliph boarded the boat that was to take him into Harthamah s custody troops loyal to Tahir assaulted and capsized the boat Al Am n fell into the Tigris was apprehended and was executed that night on orders from Tahir Thus ended this phase of the civil war Al Ma m n was now caliph Al abar i s history of these years includes accounts by participants in the event diplomatic letters between al Am n and al Ma m n Tahir s long letter to al Ma m n on the circumstances of al Amin s death and a dramatic eyewitness account of al Am n s last hours Also noteworthy is a 135 verse poem describing the devastation of Baghdad The section ends with a series of literary anecdotes on the character of al Am n
