Answer: b) B

Explanation:

The given sentences give the details of procedures to be followed in a library.

The first step must be Statement B. (One has to first go to the library)

By going with the sequence of events, the first step for becoming a member would be to sign a form promising to take care of the books. So, the second statement would be Statement A.

After becoming the member, the membership is acknowledged by giving the tickets. So, the third statement must be Statement D.

Going by the sequence, the next set of statements would be of the order: Statement C, Statement E, and Statement F.

So, the final order is: BADCEF

Thus, the first sentence in the paragraph is 'B'.
