this your lifetime It also explains the spiritual context of how your first cycle from birth to seven years forms the basis for all future programming including parenting Presenting an innovative concept with a practical approach to parenting Raising Children Soul to Soul presents an alternative method with more spiritual connotations It gives parents the opportunity to shortcut their children s journey to spiritual maturity Experimental, doctrinal, and practical John Bunyan,1859 *The Works of John Bunyan: Experimental, doctrinal, and practical* John Bunyan,1861 *The Works of John Bunyan* John Bunyan,1850 **The Empowered Life + Part 2** Cassandra Blizzard,2014-06-15 Ready to change your life So empowering Loved the book The book is well written and keeps you interested It brings new approaches as well as reminds us of lessons already learned but put aside Just buy it There are very few people who escape this physical life without having the experience of feeling like giving up Life can get so hectic and out of control at times that we feel like we don t have any control at all What we believe about ourselves becomes our reality and in so many ways what we believe about ourselves forms our future I m not speaking in airy fairy New Age terms here I am talking about the real deal Our paradigms drive us one way or the other You have to willfully choose how you want to be steered If you are the captain of your boat called life then your hands need to firmly remain on the wheel that moves the rudder You can t be the captain of your boat called life if you allow other people to form your paradigms your beliefs about Self Don t allow others to shape your beliefs about yourself Read The Empowered Life Success coach Cassandra Blizzard offers an intensive look at how we inadvertently give away our personal power and how we can regroup and bring ourselves back into balance This book is the culmination of years of working with people and teaching clients how to trust in their Soul live a more balanced life and find fulfillment and happiness in the world Build a bridge of trust with your own Soul become self actualized and take charge of your life like never before Learn how to get rid of old baggage and break up old belief systems that hold you back and be bold about moving forward in positive ways You can have the good life a balanced life and an emotionally healthy life Cassandra shows readers how to appreciate respect and value Self how to lay down positive boundary lines in relationships and how to transform your life overall Break through wrong thinking overcome obstacles restore hope and create personal success Using this book together with The Empowered Life The Workbook you can transform yourself and your life reconnect with your Soul and develop inner peace Wouldn t you like to feel better about your life Empowerment is just a choice away Sometimes we make major changes in life just by taking one small step or making one simple decision But those decisions are not always easy to make We tend to cater to other people s whim or we are afraid of hurting someone s feelings Afraid to take a risk to step out of that dead end job and aim for something higher Afraid to make a decision to get out of a bad relationship Afraid fearful anxious Too often these are the emotions that rule our lives and make our decisions for us But it doesn t have to be that way You can empower yourself to be more in control of your life to be more centered to make more positive decisions for self and to understand how the soul works in your life to bring you to a better place always Whether in business relationship

or just within yourself you can learn how to take control and be a much more balanced much happier person Relationship Self Esteem Depression Empowerment Healing Confidence Personal Power Intuition **Soul Communication** Zhi Gang Sha,2008-10-14 Shares insights into the author s work as an integrative medicine practitioner explaining how the applications of certain spiritual principles and laws can enable healing benefits in all areas of a life **A golden treasury for the children of God ...
