From Bishop to Witch David Gentilcore,1992 This book reconstructs the complex of ritual behaviour and attitudes towards the sacred of a Mediterranean society over the two hundred and fifty years following the close of the Council of Trent 1563 using sources like episcopal court records and trials for the canonisation of local saints Acknowledgements page ix

The Encyclopedia Britannica Thomas Spencer Baynes,1882 Scepticism and Hope in Twentieth Century Fantasy Literature Kath Filmer-Davies,1992 Religious discourse has become alien to the secular and skeptical western societies of the twentieth century There is real discomfort when religious discourse appears either in the popular press or in society But even in a secular society there is still a psychological need one might even use the stronger word will if not to believe then at least to hope Dr Filmer states this need is met in the literature of fantasy *Encyclopædia of Religion and Ethics: Life and death-Mulla* James Hastings,John Alexander Selbie,Louis Herbert Gray,1916 Scope theology philosophy ethics of various religions and ethical systems and relevant portions of anthropology mythology folklore biology psychology economics and sociology **Unnatural Companions** Peter Christie,2020-05-21 Highly compelling page turning read TNC s Cool Green Science We love our pets Dogs cats birds reptiles and other species have become an essential part of more families than ever before in North America today pets outnumber people Pet owners are drawn to their animal companions through an innate desire to connect with other species But there is a dark side to our domestic connection with animal life the pet industry is contributing to a global conservation crisis for wildlife often without the knowledge of pet owners In Unnatural Companions journalist Peter Christie issues a call to action for pet owners If we hope to reverse the alarming trend of wildlife decline pet owners must acknowledge the pets versus conservation dilemma and concede that our well fed and sheltered cats too often prey on small backyard wildlife and seemingly harmless reptiles released into the wild might be the next destructive invasive species We want our pets to eat nutritionally healthy food but how does the designer food we feed them impact the environment Christie s book is a cautionary tale to responsible pet owners about why we must change the ways we love and care for our pets It concludes with the positive message that the small changes we make at home can foster better practices within the pet industry that will ultimately benefit our pets wild brethren The Five Blessings of Ifá Gabrielle Felder,2025-10-28 A fierce and inspirational guide to Black resistance resilience and healing using the principles of Afro Indigenous spiritual practices Understanding where you came from is crucial to understand where you are going The Five Blessings of If explores how Black communities across the diaspora draw strength from ancestral wisdom family community care and mutual aid using the principles of If a West African spiritual tradition as a guiding framework Gabrielle Felder provides a blueprint for living a more fulfilled and abundant life through the blessings of Aiku longevity Aje wealth Aya and Oko relationships Omo children and Isegun victory over negative forces providing practical examples of how Black folks have built resilience and learned to thrive in the face of oppression Longevity exists in ancestral traditions that we cultivate over

generations which Felder explores through practices of traditional herbalism as well as contemporary sustainability and food sovereignty movements Wealth in Felder's interpretation has to do with the richness created by community including cultural traditions of food dance and music that connect seemingly disparate African diasporic cultures Partnership traditionally understood in If as husband and wife is reconsidered by Felder to include a wide variety of relationship structures including familial bonds and queer families To explore the blessing of children Felder dives into the important history of doulas and midwives in Black communities and their crucial role in combatting the high maternal mortality rate among Black women in the US Finally Felder draws out the meanings of the blessing of victory through a wide range of examples of Black autonomy slave rebellions the rejection of Eurocentric beauty standards mutual aid practices among Black revolutionary groups and the contemporary Black witch movement As a collective Black folks have managed to usher in the five blessings of If into our lives despite all odds This book is a love letter to those who have come before us and a guide to the possibilities that lie in our collective future

THE ALTERNATIVE QUILL: WRITING ALTERNATIVE HISTORY Beth Daniels, 2014-03 Everyday Oracles Ann Bolinger-McQuade, 2013-07-11 It could be a cloud in the shape of a loved one's face or an extremely relevant song playing on the radio at the exact time of a friend's death if we allow ourselves to stop look and listen we can identify what spiritual teacher Ann Bolinger McQuade calls personal oracles And when we tune into these subtle messages from Spirit we will discover guidance for navigating life's most trying situations In this illuminating book readers will learn that the universe is constantly conspiring in our favor and is ready to lend a helping hand when we need it most if only we can look closely and open our hearts to the divine messages that are on display around us Sharing stories of divine inspiration from her own life as well as the lives of others many of them well known historical or contemporary figures McQuade shows readers how A PAIR OF SPARROWS SAVE A MAN'S LIFE Journalist Byron Pitts narrowly escaped being hit by a car and saw a couple birds circling in front of him The birds reminded him of the lyrics to his mother's favorite hymn His eye is on the sparrow and I know He watches me The comforting reminder of guidance and provision encouraged him to persevere in his challenging career in broadcast journalism which was ultimately rewarded when CBS offered him a position on 60 Minutes A LITTLE BOY BRINGS HOPE BACK INTO A WOMAN'S LIFE Nancy was reeling from her husband's recent diagnosis of AML a rare form of leukemia when a seven year old boy knocked at her door collecting donations for AML research He smiled at her warmly as he told her how he had had AML since he was two and then he announced proudly that a transplant had saved his life SIR ISAAC NEWTON'S APPLE WAS ACTUALLY AN EVERYDAY ORACLE Many are familiar with the story of how Sir Isaac Newton first discovered gravity when an apple fell on his head It is a lesser known fact that Newton was interested in the supernatural Born in the 1600s when astronomy and astrology were considered one and the same

the highly respected alchemist looked to the heavens to assist him in his quest to decode the mysteries of the universe The falling apple that arrested his attention acted as a personal oracle In addition to illuminating oracles through examples McQuade discusses the history and science of oracles in general and of personal oracles specifically offering the reader practical instructions for identifying and decoding the divine messages in their own lives *Drunk in the Spirit* Merrill G. Greene, 2025-07-15 Sloshed Hammered Doing carpet time Sipping godka Videos showing people falling down shaking and spontaneously laughing all in church If one has not grown up in the Charismatic or Pentecostal tradition the concept of being drunk in the Spirit likely seems baffling Yet in recent decades the idea of spiritual intoxication has gained traction What should we think about such odd looking manifestations Does the Bible speak of anything like this How should we discern such things In this book readers will find a sustained analysis of passages from the Bible dealing with these very topics Readers may be shocked at how trances ecstatic episodes and altered states of consciousness are indeed found within the pages of sacred Scripture some of them hidden in one s own cherished stories
