A Funny Thing Happened B. E. White, Jr.,2014-08-29 The humorous stories that Dr White tells about in this book are all about people in and out of the church and the ups and downs of life in the parsonage Funny things can happen at church and the behavior of some religious people can make you laugh and laugh Behind the humor in this book is often a spiritual truth But this is more than a religious book It is about changing times in North Carolina for three quarters of a century Dr White keeps telling about things he has learned during this time or maybe he is subtly teaching his readers to learn with him what religion is really all about The people in the stories may seem like someone you know in your own church or family The comical stories will entertain you while you ponder their meaning The more serious ones may touch you deeply
