Erasing Historical Invisibility Hector G. Balcazar,2025-08-05 Hector G Balcazar s first book No Wonder The Art of Creating a New World started a new dialogue for building a more hopeful future in which humanity cares for one another s wellbeing using the Community Health Worker model In that first book which took the form of a memoir the author uses his work in public health to present his vision to build communities utilizing a bridge of human connection Utilizing a storytelling approach Erasing Historical Invisibility Creating a Compassionate World further elevates the concept of humanity caring for one another and building a more hopeful future With themes such as erasing historical invisibility and creating a compassionate world the author examines the story of our past and presents a positive framework for the future With Erasing Historical Invisibility the author takes a historical perspective as to why humanity has not yet advanced to increase the human spirit He suggests humanity has utilized an old recipe which distracts the collective maturity from evolving The reader is invited to learn about the old recipe the role of human invisibility and what new recipes are needed In Erasing Historical Invisibility the author describes humanity as a conqueror species and how humanity evolved to create human invisibility Using the Roman Empire Mexico and the United States as examples the author presents the need for dismantling the old recipe Showcasing themes such as re examining our human collective experience moving towards regional and community life and the concept of antidotes to build new model frameworks for creating a collective maturity and a safe world

The Silence of Being

Pasquale De Marco, In the quiet solitude of our own being lies the profound essence of our existence This book invites you on a transformative journey of self exploration providing a sanctuary where you can reconnect with your true self and uncover the depths of your consciousness Through a series of introspective essays we will delve into the transformative power of solitude and reflection We will explore its challenges and rewards and examine how it can foster personal growth and self understanding By embracing the silence within we can confront our fears discover our strengths and ultimately uncover the profound wisdom that resides deep within us We will also journey through the rhythms of nature finding solace and inspiration in the beauty and wisdom of the natural world From the gentle rustling of leaves to the roar of crashing waves nature has a profound ability to soothe our souls and remind us of our interconnectedness with all living things By immersing ourselves in the wonders of the natural world we can gain a deeper appreciation for the interconnectedness of life and find a sense of peace and tranquility Furthermore we will embark on a quest for meaning and purpose exploring different paths of life and examining the factors that contribute to a fulfilling existence We will discuss the importance of embracing uncertainty taking risks and living in alignment with our values By understanding our own unique purpose we can live more intentionally and make choices that are aligned with our deepest selves Along the way we will explore the power of reflection the transformative practice of journaling and the art of mindfulness and meditation These practices can help us cultivate self awareness gain clarity and find inner peace They can also empower us to live more intentionally and make choices that are aligned with our deepest selves Ultimately this book is an invitation to embark on a lifelong journey of self discovery It is a journey that requires courage vulnerability and an unwavering commitment to personal growth Through the pages of this book we will explore the depths of our own being and uncover the profound silence that resides within us all If you like this book write a review

God in 3D Colin Green,2019-12-11 This groundbreaking book sets out fresh arguments that common views on the doctrine of the Trinity are mistaken on three counts One the idea of the Trinity can t be found explicitly in Scripture Two it is a mystery irrational to the human mind Three the classical creeds of the church are the best place to start These old ideas break down in light of recent research in biblical studies Writing in plain English the author sets out where the Trinity can be found in Hebrew and Christian Scripture that it is rational and understandable and that there are biblical ways of understanding it that are easier to get across than the classical creeds This book offers what many interested in teaching or learning about the Trinity have lacked up to now And it will be a great help to those who are unsure how to communicate the idea of the Trinity in ways that the nonspecialist can understand For the scholar interested in biblical and early church studies recent insights from temple theology and name theology produce a fresh perspective that will stimulate further discussion on this important subject In the temple of God we find the triune God **Food** Mary
