Streisand Garrett Stewart, 2022-11-29 A blend of film reading with vocal analysis in appreciation of Barbra Streisand's unmatched contribution to lyric drama on screen At every stage of her career Barbra Streisand's genius finds its fullest measure in screen song first in Emmy winning TV specials then in Hollywood blockbusters from *Funny Girl* to *Funny Lady* She goes on as emerging auteur to direct her own musical concepts in *A Star Is Born* before reconceiving the big screen musical altogether in the writing as well as directing of her own starring role in *Yentl: A Film with Music* In this intensive reading of the actress who sings Garrett Stewart notes the gender and ethnic stereotypes that Streisand shattered as the first openly Jewish superstar while concentrating not just on the cultural difference she made but on the internal differentials of her unholy vocal gift whose kinetic volatility shapes a kind of cinematic terrain all its own Down through her filmed return to the concert stage Stewart elicits the sinuous phonetic text of Streisand's on screen musical delivery in a keenly attentive mode of audition that puts into fresh perspective the indelible aura of her stardom

Pitch and Revelation Will Daddario, Matthew

Goulish,2022 Pitch and Revelation is the first book length study of the poetry prose and dramatic literature of the African American poet Jay Wright 1934 The authors premise their reading on joy as a foundational philosophical concept In this they follow Spinoza who understood joy as that affect necessary for the construction of an intellectual love of God leading into the infinite univocity of everything Similarly with Wright joy leads to a visceral sense of what the authors call the great weave of the world This weave is akin to the notion of entanglement made popular by physicists and contemporary scholars of Science Studies such as Karen Barad which speaks of the always ongoing mutually constitutive connections of all matter and intellectual processes By exhibiting and detailing the joy of reading Wright Pitch and Revelation intends to help others chart their own paths into the intellectual musical and rhythmical territories of Wright s world so as to more fully experience joy in the world generally Although the exhibitions of meaning making presented are instructive they do not follow the do as I do or do as I say model of instructional texts Instead they invite the reader to do along with us as the authors make meaning from selections across Wright s erudite dense rhythmically fascinating endlessly lyrical highly structured and seemingly hermetic body of work Publisher s website
