Australian Pentecostal and Charismatic Movements, 2020-04-28 In *Australian Pentecostal and Charismatic Movements* Arguments from the Margins Rocha Hutchinson and Openshaw argue that Australia has made and still makes important contributions to how Pentecostal and charismatic Christianities have developed worldwide This edited volume fills a critical gap in two important scholarly literatures The first is the Australian literature on religion in which the absence of the charismatic and Pentecostal element tends to reinforce now widely debunked notions of Australia as lacking the religious tendencies of old Europe The second is the emerging transnational literature on Pentecostal and Charismatic movements This book enriches our understanding not only of how these movements spread worldwide but also how they are indigenised and grow new shoots in very diverse contexts

Tapper, 2017-05-08 This volume offers a landmark analysis of the trinitarian impulses in contemporary worship music used by the Pentecostal Assemblies of Canada PAOC It considers whether the lyrics from the most commonly used PAOC songs are consistent with this Evangelical group's trinitarian statement of faith Colin Gunton's trinitarian theology provides the theological rationale for eight original and qualitative content analyses of these songs Three major areas are considered the doctrine of God human personhood and cosmology Making use of Gunton's notions of relationality particularity and perichoresis along with several key Pentecostal scholars this book serves as a helpful descriptive and prescriptive theological resource for the dynamic practice of a trinitarian faith **Approaching the World's Religions, Volume 1** Robert Boyd, 2017-05-04 Philosophically Thinking about World Religions is different from other works in the discipline today It deviates from the typical approaches used for the study of world religions Its goal is to engage readers in thinking hard about world religions not about the data surrounding those traditions By focusing on philosophical questions each reader should be challenged to do their own investigations that may reveal the heart of these traditions Another stance that this project takes that distinguishes it from other texts in the discipline is that it advocates an inclusivist perspective regarding the world religions Pluralism which is the

predominate assumption today ends either in contradiction or in the development of a metatheory that dismisses crucial distinctions between the various traditions or eliminates some ancient religions because they do not fit the metatheory By taking an open inclusivist approach all religious traditions may engage at the table of dialogue The final essay is about justice and social affairs While that discussion is couched within the context of a particular tradition each religious tradition must have the discussion But it must be more than an intrareligious dialogue it must become an interreligious dialogue

Pentecostals and Charismatics in Britain Joe Aldred ,2019-04-30 Although part of a worldwide Christian spirituality Pentecostals and Charismatics in the UK are rooted in British religiosity dating back to at least the 1920s However the emergence of migrant communities from the Caribbean and Africa since the 1950s has tended to attract popular attention and consequentially has come to represent the popular public face of Pentecostals and Charismatics in Britain Latterly however an intellectual base has begun resisting the anti intellectual reputation that has attached itself to Pentecostalism This book draws upon the scholarship of eminent academics and practitioners in the field of Pentecostal and Charismatic studies who together consider the history of pentecostal and charismatic movements their relationship with mainline Christian churches and their engagement with the social economic and political world Topics covered include the theological and doctrinal marks in British Pentecostalism Anglican Pentecostal relations and the impact of the Vineyard movement on Charismatic and Pentecostal worship in the UK Contributors include Professor Anne E Dyer Mathersey Hall Professor William K Kay Chester University Professor David Hilborn Moorlands College Dr R David Muir University of Roehampton and Dr Babatunde A Adedibu Redeemed Christian Bible College Nigeria With a foreword by Justin Welby *Christian Sacred Music in the Americas* Andrew Shenton,Joanna Smolko,2021-02-17 Christian Sacred Music in the Americas explores the richness of Christian musical traditions and reflects the distinctive critical perspectives of the Society for Christian Scholarship in Music This volume edited by Andrew Shenton and Joanna Smolko is a follow up to SCSM s Exploring Christian Song and offers a cross section of the most current and outstanding scholarship from an international array of writers The essays survey a broad geographical area and demonstrate the enormous diversity of music making and scholarship within that area Contributors utilize interdisciplinary methodologies including media studies cultural studies theological studies and different analytical and ethnographical approaches to music While there are some studies that focus on a single country musical figure or region this is the first collection to represent the vast range of sacred music in the Americas and the different approaches to studying them in context **Christian Unity Through God's Starter Kit by Jesus** William McCracken,Bill McCracken,2012-05 Christian Unity Through God s Starter Kit By Jesus was written by Bill McCracken from the perspective of a layman that determined in his heart to do things God s way on October 18 1983 and after about a year of peace found himself in a battle he wasn t prepared for by his church This is the story of what God has taught him through the eyes of the Bible our window to the spiritual realm He found that through God s riches in Christ Jesus that God had given him a Starter

Kit of truth wisdom righteousness sanctification justification glorification holiness remission redemption mercy grace and peace with God so we can take that Starter Kit and become wise righteous sanctified just trustworthy holy washed in His Word redeemed merciful compassionate peacemakers so that he could go into spiritual warfare knowing who he is in Christ Jesus Bill also found that we as Christians are all one in Christ Jesus according to Galatians 3 26 28 and that God's Word says that God wants no divisions among his people in First Corinthians 1 10 plus other scriptures that tell us to be in one accord likeminded of one mind that we all speak the same thing that we be perfectly joined together and that we should all come together in the unity of the faith Sadly Bill found that Christianity is deeply divided and splintered with over 38 000 different denominations worldwide and 1 500 in the United States alone We must come together as one and defeat our one and only enemy satan and his demons Fortunately when Bill came to God he literally did not know an epistle from an apostle and God could take that empty vessel and fill it with the truth from God's Word He received the baptism of the Holy Ghost on November 26 1983 and then could begin to teach him through ministering to others failure or experience the fire books and tapes preaching and it's amazing what you learn when you look up a word in a Bible concordance and learn the definition from the Greek dictionary You know the definition and then see how God teaches it in the Bible and it really isn't that difficult Learn about God's Starter Kit by Jesus born again repentance baptism the baptism of the Holy Spirit and fire and the armor of God Learn what a fiery dart is and how to defeat the fiery darts of the wicked and the story of satan and God's plan through Christ Jesus that defeated him Learn about the covenant God has made with His children through His Son and then the authority He has given Christians in the spiritual realm in the Name of Jesus Revelation 12 11 And they overcame him the devil by the blood of the Lamb Jesus The Word of God and by the word of their testimony Our testimony is very important to help others overcome the works of the devil when we combine it with the works of the cross and the Word of God First John 3 8 For this purpose the Son of God was manifested that He might destroy the works of the devil God's blessings Bill

McCracken **Stay under Your Hat** Alan E. Walter, 2023-11-22 Stay under Your Hat is not only a book title but also a principle of living Alan Walter the author first understood the principle while leading a dual diagnosis group for the Department of Community Supervision state probation in Northwest Georgia As God further developed the principle in Alan's mind and heart it has grown into a book that will likely involve sequels Stay under Your Hat is a call to those who believe in the death burial and resurrection of Jesus Christ This book seeks to call Christians to return to the one basic purpose for our lives That purpose is to effectively model God through the surrender of our identity security and reason for living to God the Father While reading this book you'll have the opportunity to see some of the simplicities and the glory of how God created outfitted and redeemed us to model Him well My hope is that you will realize that the most natural safe and secure place for you to be as a Christian is to stay under your hat **From Daddy, with Love** Eunice Porter, 2018-07-24 A young man who grew up in war ravaged Europe was captivated by the news of opportunity in America He worked long and hard to earn

money to pay the fare on a ship to the promised land Knowing it would take many days to cross the Atlantic he filled his trunk with food But soon he realized the food was spoiling and the bread moldy He so wished he could afford to pay for the meals in the dining room Maybe he could work for the chef in exchange for food How humiliating to have to beg On his way to the kitchen an older man came by and struck up a conversation with him As the aroma of cooking food floated out into the passageway the man said Please join us for dinner My wife and I have seats at the Captain s table and there is plenty of room Embarrassed the gaunt young man blurted out Sir I cannot pay for the meals Excuse me and he hurried off Wait the man was saying The meals are included in the cost of the fare They are part of the package Come let s eat Was this a joke Stunned he turned back muttering I had no idea Nobody told me Do you have any idea of all the amazing satisfying and precious gifts that are included in God s Salvation package that are totally and absolutely free Better still the whole package is completely free paid for by Jesus Christ at infinite cost We don t have to work for it deserve it or beg for it All we have to do is get on board by forsaking our sin and guilt and receiving His new life I hope the message of this book will set you on the most exciting adventure you cannot even imagine here on this earth and in the heavenly home that our dear loving Father Daddy is preparing for us where there is no more sickness sadness or fear Come join me **The Predictably Unpredictable God**

James J. Carlin,2021-02-15 Have you ever questioned why God takes so long at times to answer a prayer Or why He does things for some people much faster than He does for others We know that He s made many promises to us and we also know that He s good for His Word So from that standpoint answering our requests should be a very predictable thing shouldn t it If you re like me and so many others who make requests of God and have had to wait long bouts of time for them to be answered you can get to where you question if your prayer will be answered at all But in my life I have had situations where my prayers were answered many years before I knew it and have also seen where many were answered in ways that I would never have suspected Ways that can make a person shake their head in wonder However when we take the time to really look at how things played out from a kingdom perspective I feel things become more clear and are easier to understand I feel these types of things as well as others demonstrate just how unpredictable God can be But they can also show how much thought God puts into remedying our situations With that said the intent of this book is to help build faith and at the same time give more hope by seeing things from a kingdom perspective It had that effect on me while God was giving it to me and I hope that all who read it will be blessed in the same or even a greater way *52 Things Sons Need from Their Moms*
