Songs With Onomatopoeia:

Onomatopoeia in the World's Languages Livia Körtvélyessy, Pavol Štekauer, 2024-04-01 This is the very first publication mapping onomatopoeia in the languages of the world The publication provides a comprehensive multi level description of onomatopoeia in the world's languages The sample covers six macro areas defined in the WALS Euroasia Africa South America North America Australia Papunesia Each language descriptive chapter specifies phonological morphological word formation semantic and syntactic properties of onomatopoeia in the particular language Furthermore it provides information about the approach to onomatopoeia in individual linguistic traditions the sources of data on onomatopoeia the place and the function of onomatopoeia in the system of each language Folk and Songs in Japan and Beyond Matt Gillan, Kiku Day, Patrick Huang, 2022-05-10 This volume of essays and research papers is dedicated to David Hughes in honour of his contribution to research teaching and dissemination of the music of Japan South East Asia and other countries over many years Dr Hughes academic output from the 1970s to the present has covered many aspects of Japanese traditional music making in particular the min'yō folk song genre of which he remains the primary scholar outside Japan His groundbreaking work has also encompassed theories of musical grammars oral notation systems in cross cultural perspective as well as several papers on cultural heritage and preservation societies The contributors to this volume comprise many of David's former students as well as scholars from Japan and elsewhere with whom Dr Hughes has collaborated over the years The papers reflect the depth and breadth of Hughes research output demonstrating his continuing influence over ethnomusicologists around the world The Oxford Handbook of Children's Musical Cultures Patricia Shehan Campbell, Trevor Wiggins, 2013-02-14 The Oxford Handbook of Children's Musical Cultures is a compendium of perspectives on children and their musical engagements as singers dancers players and avid listeners Over the course of 35 chapters contributors from around the world provide an interdisciplinary enquiry into the musical lives of children in a variety of cultures and their role as both preservers and innovators of music Drawing on a wide array of fields from ethnomusicology and folklore to education and developmental psychology the chapters presented in this handbook provide windows into the musical enculturation education and training of children and the ways in which they learn express invent and preserve music Offering an understanding of the nature structures and styles of music preferred and used by children from toddlerhood through childhood and into adolescence The Oxford Handbook of Children's Musical Cultures is an important step forward in the study of children and music **Songs to Make the Dust Dance** Yung-Hee Kim, 2024-06-21 Breaking through the long established image of Heian Japan 794-1185 as a culture dominated by ritualized aristocratic values Yung Hee Kim presents a picture of a country in transition filled with a wide variety of common people responding to very ordinary situations The court does not disappear but rather becomes part of a larger society inhabited by Buddhist nuns and mountain ascetics farmers and fishermen beggars and gamblers In popular songs called imayo they express their concerns about religion love aging and

even current affairs In 1179 Emperor Go Shirakawa compiled a collection of this song genre which had flourished for two centuries His twenty volume anthology Ryojin hisho circulated until the middle of the fourteenth century when it disappeared completely To the astonishment of the scholarly world two volumes reappeared early in the twentieth century It is these texts a small remnant of a powerful popular literature that Kim makes accessible to English speaking readers Ryojin hisho juxtaposes the sacred with the profane the high with the low the male with the female the old with the new The songs in translations that faithfully reflect the sounds and images of the originals make up the core of this book They are surrounded by a wealth of material on the imayo genre the women who sang the songs the role of court patronage and other aspects of Heian culture Far from simply surviving as an aesthetic artifact the anthology comes to life in its own literary and cultural context This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1994

Songs that Make the Road Dance Linda O'Brien-Rothe, 2015-08-01 An important and previously unexplored body of esoteric ritual songs of the Tzutujil Maya of Santiago Atitlán Guatemala the Songs of the Old Ones are a central vehicle for the transmission of cultural norms of behavior and beliefs within this group of highland Maya Ethnomusicologist Linda O'Brien Rothe began collecting these songs in 1966 and she has amassed the largest and perhaps the only significant collection that documents this nearly lost element of highland Maya ritual life This book presents a representative selection of the more than ninety songs in O'Brien Rothe's collection including musical transcriptions and over two thousand lines presented in Tzutujil and English translation Audio files of the songs can be downloaded from the UT Press website Using the words of the songmen who perform them O'Brien Rothe explores how the songs are intended to move the Old Ones the ancestors or Nawals to favor the people and cause the earth to labor and bring forth corn She discusses how the songs give new insights into the complex meaning of dance in Maya cosmology as well as how they employ poetic devices and designs that place them within the tradition of K'iche' an literature of which they are an oral form O'Brien Rothe identifies continuities between the songs and the K'iche' origin myth the Popol Vuh while also tracing their composition to the late sixteenth and early seventeenth centuries by their similarities with the early chaconas that were played on the Spanish guitarra española which survives in Santiago Atitlán as a five string guitar

Past and Present Lithuanian Polyphonic Sutartinės Songs Daiva Račiūnaitė-Vyčiniienė, 2024-02-27 Sutartinės the especially ancient form of often sacred Lithuanian music is enjoying a renaissance mostly in Lithuania's cities Since UNESCO recognized these unique dissonant sounds originating from Lithuania's Aukštaitija Uplands ethnographic region as part of our Intangible Cultural Heritage in 2010 in depth studies have flourished This book presents the latest analogies discovered in distant examples of the genesis and ethnogenesis of foreign folk music examples not only in neighboring lands but as far away as the Ainu

subculture of Japan It presents the latest findings and analyses of the hymns once said to be conveyed by laum s mythical beings later demoted to witches during this music s demise This study supplements perceptions from Lithuanian and foreign ethno musicologists with data from ethnology archaeology linguistics and other sciences and areas of scholarship and thereby encourages even more studies in this field *The Routledge Course in Korean Translation* Jieun Kiaer,2017-08-10 The Routledge Course in Korean Translation brings together for the first time materials dedicated to the theory and practice of translation to and from Korean This advanced course in Korean translation discusses cross linguistic and cross cultural issues that arise in the course of Korean English and English Korean translation and offers useful tools for dealing with the problems that arise in the actual practice of translation Equipped with examples from a range of genres this book provides a foundational understanding in translation theory that is necessary in Korean translation The Routledge Course in Korean Translation is essential reading for students of Korean at both undergraduate and postgraduate levels interested in translation as well as for students and researchers with knowledge of Korean who are interested in linguistics and cultural and communication studies **The ^APower of Black Music** Samuel A. Floyd Jr.,1996-10-31 Bold and original The Power of Black Music offers a new way of listening to the music of black America and appreciating its profound contribution to all American music Striving to break down the barriers that remain between high art and low art it brilliantly illuminates the centuries old linkage between the music myths and rituals of Africa and the continuing evolution and enduring vitality of African American music Inspired by the pioneering work of Sterling Stuckey and Henry Louis Gates Jr author Samuel A Floyd Jr advocates a new critical approach grounded in the forms and traditions of the music itself He accompanies readers on a fascinating journey from the original rings of dance drum and song shared by people across Africa through the ring shout s powerful merging of music and dance in the slave culture to the funeral parade practices of the early new Orleans jazzmen the bluesmen in the twenties the beboppers in the forties and the free jazz rock Motown and concert hall composers of the sixties and beyond In The Power of Black Music Floyd clearly shows that black folk culture remains a driving force in the black music of America a force with the power to enrich cultures the world over **Hitler's Twilight of the Gods** Alexandra Birch,2025-02-28 Music was an integral part of statecraft and identity formation in the Third Reich Structured thematically and semiotically around the Wagnerian tetralogy of the Ring cycle Hitler s Twilight of the Gods provides a sonic read of the Second World War and the Holocaust Alexandra Birch sheds light on the specific type of music promoted under Nazism linked to larger Teutonic mythologies and histories espoused in rhetoric and personal styling The book explores the musical fixation of the command as it was extended to the ordinary troops of the Wehrmacht and SS in instances of musical sadism and destruction during the Holocaust It reveals how in constructing what was German this process also intentionally fashioned a subaltern other with an assigned set of music and aesthetics The book draws on analysis of testimony and perpetrator documents to reveal the execution of this binary identity and the inclusion of music even in extreme genocidal

conditions From drinking games in the interwar period to musical sadism in the Holocaust to the final delusions of the command in collapse Hitler's *Twilight of the Gods* illuminates how music was a component of camaraderie identity masculinity and warfare

Biopolitics and Animal Species in Nineteenth-Century Literature and Science Matthew Rowlinson,2024-02-01 Principles of species taxonomy were contested ground throughout the nineteenth century including those governing the classification of humans Matthew

Rowlinson shows that taxonomy was a literary and cultural project as much as a scientific one His investigation explores animal species in Romantic writers including Gilbert White and Keats taxonomies in Victorian lyrics and the nonsense botanies and alphabets of Edward Lear and species race and other forms of aggregated life in Darwin s writing showing how the latter views these as shaped by unconscious agency Engaging with theoretical debates at the intersection of animal studies and psychoanalysis and covering a wide range of science writing poetry and prose fiction this study shows the political and psychic stakes of questions about species identity and management This title is part of the Flip it Open Programme and may also be available Open Access Check our website Cambridge Core for details
