MILITARY SKILLS DEVELOPMENT SYSTEM (MSDS) 2021

BACKGROUND

THE MILITARY SKILLS DEVELOPMENT SYSTEM (MSDS)

The South African Army, through its Military Skills Development System (MSDS), is offering young South African citizens an opportunity to serve in uniform on a two-year contract. The Military Skills Development System is a two-year voluntary service system with the long term goal of enhancing the SA National Defence Force's deployment capability.

Successful MSDS candidates will be appointed in a specific mustering and will be called up to a Training Unit, where members will complete their Basic Military Training, specific mustering and functional training in the first year and be utilized or deployed internally or externally in the second year of the MSDS.

Requirements:

- No dual citizenship: Be a South African citizen only
- Grade 12 Applicants must be between the ages of 18 – 22 years
- Graduates and/or other Tertiary Qualification up to the age of 26 years
- Successfully completed Grade 12 with (Average of 50% or level 4) (Mathematics and Science will be advantageous)
- Admission Point Score (APS) of 17 and Life Orientation (LO)
- Leadership potential
- Not to be arise tourist
- Have no criminal record or pending cases
- Comply with medical fitness requirements for the appointment (Minimum height Females 148cm, Males 155cm and Minimum weight Females 48kg, Males 52kg (Within average height/weight ratio).

N.B. During the selections, the applicants will be subjected to Psychometric and Medical Evaluation; Verification of criminal records; Vetting and Verification of qualifications.

South African National Defense Force Army Application Form 2016

**Great Britain. Parliament. House of
Commons**

South African National Defense Force Army Application Form 2016:

South Africa's Post-Apartheid Military Lindy Heinecken, 2020-01-01 This timely book examines how the South African National Defence Force has adapted to the country's new security political and social environment since 1994. In South Africa's changed political state, how has civilian control of the military been implemented and what does this mean for defence in a democracy? This book presents an overview of the security environment, how the mission focus of the military has changed and the implications for force procurement, force preparation, force employment and force sustainability. The author addresses other issues such as the effect of integrating former revolutionary soldiers into a professional armed force, the effect of affirmative action on meritocracy, recruitment and retention, military veterans looking at the difficulties they face in reintegrating back into society and finding gainful employment, gender equality and mainstreaming, the rise of military unions and why a confrontational instead of a more corporatist approach to labour relations has emerged, HIV/AIDS and the consequences this holds for the military in terms of its operational effectiveness. In closing, the author highlights key events that have caused the SANDF to become lost in transition and transformation, spelling out some lessons learned. The conclusions she draws are pertinent for the future of defence security and civil-military relations of countries around the world.

The Imperial Army Project Douglas E. Delaney, 2018-01-25 How did British authorities manage to secure the commitment of large dominion and Indian armies that could plan, fight, shoot, communicate and sustain themselves in concert with the British Army and with each other during the era of the two world wars? What did the British want from the dominion and Indian armies and how did they go about trying to get it? Douglas E. Delaney seeks to answer these questions to understand whether the imperial army project was successful. Answering these questions requires a long-term perspective, one that begins with efforts to fix the armies of the British Empire in the aftermath of their desultory performance in South Africa, 1899-1903, and follows through to the high point of imperial military cooperation during the Second World War. Based on multi-archival research conducted in six different countries on four continents, Delaney argues that the military compatibility of the British Empire armies was the product of a deliberate and enduring imperial army project, one that aimed at standardizing and piecing together the armies of the empire while at the same time accommodating the burgeoning autonomy of the dominions and even India. At its core, this book is really about how a military coalition worked. [Annual Report](#) South Africa. Department of Defence, 2016 [The Economics of Defense Industry](#) Thomas-Durell Young, 2023-10-17

This book on the economics of defence industry assesses a series of historical and contemporary case studies that consistently demonstrate the need for governments to recognise and thereafter factor the financial needs of a narrow industrial sector that is capital intensive, technologically advanced and that requires a highly skilled labour force. Since the end of the cold war, Western governments have systematically reduced financial support to their domestic defence industry and have seemingly ignored planning and funding industrial mobilisation. In all cases, government policy has been to

encourage industries to consolidate capacity to become financially viable in a sector that has seen diminished demand The 2022 Russian invasion of Ukraine has caused Western governments to reassess their previous assumptions Efforts to increase industrial capacity have been met with the iron laws of economics whereby businesses need to show return on investments The chapters in this volume posit that efforts to rationalise industrial capacity and innovation to meet short term financial efficiencies inevitably results in limited expensive and long delays in increased production in times of international crisis This book serves as an essential guide for academics researchers and students interested in defence economics industrial economics international relations and industrial policy The chapters in this book were originally published in various issues of Defense Security Analysis *The African Union (AU)* Konstantinos D. Magliveras, Gino J. Naldi, 2018-02-28 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of the structure competence and management of The African Union AU provides substantial and readily accessible information for lawyers academics and policymakers likely to have dealings with its activities and data No other book gives such a clear uncomplicated description of the organization s role its rules and how they are applied its place in the framework of international law or its relations with other organizations The monograph proceeds logically from the organization s genesis and historical development to the structure of its membership its various organs and their mandates its role in intergovernmental cooperation and its interaction with decisions taken at the national level Its competence its financial management and the nature and applicability of its data and publications are fully described Systematic in presentation this valuable time saving resource offers the quickest easiest way to acquire a sound understanding of the workings of The African Union AU for all interested parties Students and teachers of international law will find it especially valuable as an essential component of the rapidly growing and changing global legal milieu Reshaping the World Ernesto Castañeda, 2021-03-16 This volume provides information and analyses to better grasp the social implications of geographical borders as well as the individuals who travel between them and those who live in border regions Sociologists anthropologists philosophers linguists and scholars of international relations and public health are just some of the authors contributing to Rethinking Borders The diversity in the authors disciplines and the topics they focus on exemplify the intricacies of borders and their manifold effects This openness to so many schools of thought stands in contrast to the solidification of stricter borders across the globe The contributions range from case studies of migrants sense of belonging and safety to theoretical discussions about migration and globalization from empirical studies about immigrant practices and exclusionary laws to ethical concerns about the benefits of inclusion It is timely that this collective work is published in the middle of a pandemic that has affected every single part of the world Unprecedented border closures and stringent travel restrictions have not been enough to contain the virus entirely As COVID 19 shows diseases ideas and xenophobic and racist discourses know no borders Plans that transcend borders are vital when dealing with global threats such as climate change and pandemics

Contemporary Issues in South African Military Psychology Nicole Dodd, Petrus C. Bester, Justin van der Merwe, 2020-05-13 *Contemporary Issues in South African Military Psychology* is a well timed extremely thought provoking imperative particular to the African context and deals with a highly contemporary issue within the people management and the management studies fields specifically in the military field and context This is specifically of importance as military psychology is a behavioural science that combines theory and practical application Prof Karel Stanz University of Pretoria

Farmer's Weekly, 1928 [Peace and Conflict 2017](#) David Backer, Ravinder Bhavnani, Paul Huth, 2017-11-08 An authoritative source of information on violent conflicts and peacebuilding processes around the world *Peace and Conflict* is an annual publication of the University of Maryland's Center for International Development and Conflict Management and the Graduate Institute of International and Development Studies Geneva The contents of the 2017 edition are divided into three sections Global Patterns and Trends provides an overview of recent advances in scholarly research on various aspects of conflict and peace as well as chapters on armed conflict violence against civilians characteristics of rebel and state forces sexual violence democracy and civil war terrorism human rights conditions and the results of the updated Peace Conflict Instability Ledger which ranks the status and progress of more than 160 countries based on their forecasted risk of future instability adverse regime change internal war state mass killing non state mass killing Special Feature spotlights work on the relationship between refugees and the diffusion of armed conflict Profiles surveys developments in instances of civil wars peacekeeping missions and international criminal justice proceedings that were active around the world during 2015 Frequent visualizations of data in full color large format tables graphs and maps bring the analysis to life and amplify crucial developments in real world events and the latest findings in research The contributors include many leading scholars in the field from the US and Europe

America's National Anthem John R. Vile, 2021-01-13 This A Z encyclopedia is a one stop resource for understanding the history and evolution of the national anthem in American politics culture and mythology as well as controversies surrounding its emergence as a lightning rod for political protests and statements This reference work serves as a comprehensive resource for understanding all aspects of the national anthem and its significance in U S history and American life and culture It covers the origins of the song and its selection as the nation's official anthem and acknowledges other musical compositions proposed as national anthems It discusses famous performances of the anthem and details laws and court decisions related to its performance and it also explains notable phrases in its lyrics describes the meaning of the national anthem to different demographic groups and surveys presentations and celebrations of The Star Spangled Banner in popular culture Moreover it summarizes famous political protests undertaken during renditions of the national anthem from the Black Power salutes by U S athletes during the 1968 Olympics to the kneeling protests undertaken by Colin Kaepernick and other NFL players to bring attention to racial inequality in America

The Parliamentary Debates (official Report). Great Britain. Parliament. House of Commons, 1915 [South Africa and United Nations](#)

Peacekeeping Offensive Operations Antonio Garcia, 2018-08-17 The creation of the Force Intervention Brigade FIB as the sharp tactical edge of the United Nations Stabilisation Mission in the Democratic Republic of the Congo MONUSCO tasked with the neutralising of armed groups was a watershed moment in the history of modern peace missions What was more significant was that sub Saharan national leaders were instrumental in the creation of the FIB South Africa Tanzania and Malawi but lacked the resources to deploy such a force and consequently the brigade was deployed under the banner of the UN With the legacy of an African Renaissance and its role in the conception of the FIB South Africa remains a critical player in international peace and security in sub Saharan Africa and therefore holds a key strategic role in achieving the FIBs objectives This comes at a critical time where blue helmets are increasingly exposed to complex and challenging security contexts The aim of this work is to provide a conceptual model for South African military future operations and UN offensive peacekeeping operations In this undertaking a layer of military and Clausewitzian theory is added to offensive peacekeeping operations Furthermore there are sections on operational constructs capstone and operating concepts doctrine and structural elements as well a section on mine action This book contributes towards an understanding of the nature of modern strategy through the lens of UN offensive peacekeeping operations and provides insights into operational challenges

Historical Dictionary of Nigeria Toyin Falola, Ann Genova, Matthew M. Heaton, 2018-06-21 The Historical Dictionary of Nigeria Second Edition introduces Nigeria s rich and complex history Readers will find a wealth of information on pre 20th century history Nigeria under British colonial rule and important post independence issues while providing greater attention to Nigeria s role in international relations diaspora and contributions to arts film and culture in particular This revised edition covers major developments since the last edition such as the rise of the terrorist group Boko Haram and the election of Muhammadu Buhari to the presidency in 2015 among others This second edition of Historical Dictionary of Nigeria Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Nigeria *States of Disorder, Ecosystems of Governance* Adam Day, 2022 This book addresses the question Why has UN state building so consistently failed to meet its objectives It proposes an explanation based on the application of complexity theory to UN interventions in South Sudan and DRC where the UN has been tasked to implement massive stabilization and state building missions Torture Kathleen Barrett, George Klay Kieh, Jr., Gavin M. Lee, Neema Noori, 2024-07-08 Drawing on insights from political science criminology and sociology Torture An Interdisciplinary Approach investigates the nature and evolution of torture By surveying the use of torture across time and space this book considers the development of an international human rights discourse challenging the legitimacy of torture as an instrument of interrogation Kathleen Barrett George Klay Kieh Jr Gavin M Lee and Neema Noori critically assess the effectiveness of legal regimes both national and international that arose as a result of this

discourse and the emergent global movement to ban the use of torture In addition to grappling with colonial legacies of torture and the particular ways that great powers whether liberal or illiberal deploy these coercive practices this book argues that torture continues to serve as a repressive practice that mediates the relationship between the state and its citizens in many countries within the global south The authors demonstrate that as governments move away from one set of perceived atrocities they develop new methods of torture and establish novel strategies for justifying these coercive practices

Defence Offsets and the Global Arms Trade Jonata Anicetti,2024-02-06 This book offers the first comprehensive study of defence offsets and its economic security political and theoretical implications Originating in the second half of the 19th century defence offsets additional economic industrial and technological benefits to states for buying foreign weapons have since been a key feature of the global arms trade and defence industry And yet offsets are an under researched and under theorised phenomenon This book fills this gap in the literature by offering the first general theory of defence offsets as well as the first systematic analysis of the offset phenomenon By building on the insights of scholars of defence economics and drawing from the International Relations liberal paradigm as well as reviving and adapting Robert Putnam s two level game framework the book proposes a liberal rationalist theory of defence offsets It then proves the worth of such a theory through Qualitative Comparative Analysis QCA of fifty four fighter aircraft transfers from 1992 to 2021 inclusive and three in depth case studies addressing offsets negotiated and agreed to as part of fighter aircraft competitions in Brazil India and South Korea This book will be of interest to students of defence studies defence economics security studies and international relations

Military Assistance on Request and the Use of Force Erika De Wet,2020-03-26 In countries such as Syria Iraq South Sudan and Yemen internationally recognized governments embroiled in protracted armed conflicts and with very little control over their territory have requested direct military assistance from other states These requests are often accepted by the other states despite the circumvention of the United Nations Security Council and extensive violation of international humanitarian law and human rights In this book Erika De Wet examines the authority entitled to extend a request for or consent to direct military assistance as well as the type of situations during which such assistance may be requested notably whether it may be requested during a civil war Ultimately De Wet addresses the question of if and to what extent the proliferation of military assistance on the request of a recognized government is changing the rules in international law applying to the use of force
