South African Security Manual:

South African Foreign Policy Review: Volume 1, 2012

Routledge Handbook of African Security James

Hentz, 2013-08-22 This new Handbook examines the issues challenges and debates surrounding the problem of security in Africa Africa is home to most of the world s current conflicts and security is a key issue However African security can only be understood by employing different levels of analysis the individual human security the state national state security and the region regional international security Each of these levels provides analytical tools for understanding what could be called the African security predicament and these debates are animated by the new security issues immigration small arms transfers gangs and domestic crime HIV AIDS transnational crime poverty and environmental degradation African security therefore not only presents concrete challenges for international security but provides a real world context for challenging conventional conceptions of security Drawing together contributions from a wide range of key thinkers in the field the Routledge Handbook of African Security engages with these debates and is organized into four parts Part I The African security predicament in the twenty first century Part II Understanding conflict in Africa Part III Regionalism and Africa Part IV External influences This Handbook will be of great interest to students of African politics human security global security war and conflict studies peacebuilding and IR in general

South African Foreign Policy Review: Volume 1 Chris

Landsberg, Jo-Ansie van Wyk, 2012-12-27 The richness of public and academic discourses on the past present and future direction of South Africas role in Africa and the world suggests that as a sub discipline of politics South African foreign policy is ready for a systematic and regular appraisal in the form of a series of publications that the Institute for Global Dialogue will call South African Foreign Policy Review This is also because constant changes in international and domestic circumstances impinge on the management and analysis of South Africas foreign policy This the first review provides an important opportunity to build on existing foreign policy works in order to take stock of the road already travelled in the past decade or so This is crucial in laying some basis for anticipating the countrys future role and considering the opportunities and challenges which future volumes of the review will consider This volume provides a wide ranging appraisal of the relationship between stated foreign policy goals and actual outputs and outcomes an assessment of how foreign policy has actually been operationalized and implemented To this end common themes in South African foreign policy provide the framework for the first review These include foreign policy decision making soft power dynamics in the foreign policy strategic calculus diplomatic tools used economic diplomacy peace diplomacy and paradiplomacy South Africas relations with key states in Africa in the global south and in the global north South Africas approach to Africa multilateral global multilateralism governance The review hopes to stimulate further discussion and thinking on the challenges confronted and the future shape and direction of South Africas foreign policy

Handbook of Governance and Security James

Sperling, 2014-08-29 The Handbook is divided into four sections which examine in turn the emergence evolution and forms of

security governance as well as the theoretical orientations that have so far dominated the literature networks multilateralism regimes and sy *Handbook on Urban Food Security in the Global South* Jonathan Crush, Bruce Frayne, Gareth Haysom, 2020-12-25 The ways in which the rapid urbanization of the Global South is transforming food systems and food supply chains and the food security of urban populations is an often neglected topic This international group of authors addresses this profound transformation from a variety of different perspectives and disciplinary lenses providing an important corrective to the dominant view that food insecurity is a rural problem requiring increases in agricultural production **Handbook of International Security and Development** Paul Jackson, 2015-02-27 Providing a

comprehensive introduction to the literature and approaches used in the field this illustrious Handbook explores and interrogates the link between security and development at a global level whilst offering a broad survey of current thinkin

The Handbook of Global Security Policy Mary Kaldor, Iavor Rangelov, 2014-03-20 This Handbook brings together 30 state of the art essays covering the essential aspects of global security research and practice for the 21st century Embraces a broad definition of security that extends beyond the threat of foreign military attack to cover new risks for violence Offers comprehensive coverage framed around key security concepts risks policy tools and global security actors Discusses pressing contemporary issues including terrorism disarmament genocide sustainability international peacekeeping state building natural disasters energy and food security climate change and cyber warfare Includes insightful and accessible contributions from around the world aimed at a broad base of scholars students practitioners and policymakers Security and

Democracy in Southern Africa Gavin Cawthra, André Du Pisani, Abillah H. Omari, 2007 A study of the ambiguity of democratization and how it can generate violence Southern Africa has embarked on one of the world s most ambitious security co operation initiatives seeking to roll out the principles of the United Nations at regional levels This book examines the triangular relationship between democratization the character of democracy and its deficits and national security practices and perceptions of eleven southern African states Based on national studies conducted by African academics and security practitioners over three years it includes an examination of the way security is conceived and managed as well as a comparative analysis of regional security co operation in the developing world The study concludes that democratization is ambiguous and uncertain and can in some cases generate violent conflict Building a common security regime in southern Africa will require moving beyond regime solidarity In particular progress will mean building multinational institutions entrenching democratic practices drawing on civil society and integrating the southern African project with that of the African Union The authors conclude with a set of policy recommendations that aim to strengthen both states and civil society within the framework of an emerging common security system The Geopolitics of Regional Power Sören

Scholvin, 2016-03-09 In the last two decades various states from the Global South have emerged as important players in international relations Most popular among them is China Brazil India and South Africa have also taken essential roles in

global and regional politics Compared to traditional great powers they can be labelled regional great powers or regional powers because their influence is with the exception of China concentrated on their neighbourhood The impact of regions meaning the impact of geography on the economics and politics of regional powers is surprisingly understudied This book analyses how geographical conditions influence the regional economics and politics of South Africa allowing the author to delineate its region of influence

Food Security Policy, Evaluation and Impact Assessment Sheryl L.

Hendriks,2019-12-06 This book offers an essential comprehensive yet accessible reference of contemporary food security discourse and guides readers through the steps required for food security analysis Food insecurity is a major obstacle to development and achievement of the Sustainable Development Goals It is a complex issue that cuts across traditional sectors in government and disciplines in academia Understanding how multiple elements cause and influence food security is essential for policymakers practitioners and scholars This book demonstrates how evaluation can integrate the four elements of food security availability access nutrition and resilience and offers practical tools for policy and programme impact assessment to support evidence based planning Aimed at researchers postgraduates and those undertaking professional development in food studies agricultural economics rural development nutrition and public health the book is key reading for those seeking to understand evidence based food security analysis

India's Africa Policy Philipp Gieg,2023-06-03 The book analyses how India's rise to the status of an emerging power has affected New Delhi's Africa policy after sketching the historical evolution and normative underpinnings of Indo African relations and what challenges it has brought for New Delhi's engagement with the continent India and Africa share a history dating back millennia Today India is one of Africa's biggest trading partner countries second only to China The country regularly extends lines of credit worth billions to African nations and its pharmaceutical producers dominate many African markets almost one fifth of India's oil imports and more than one quarter of its natural gas imports come from the continent However relations between India and Africa are far from being limited to economic cooperation The book scrutinises three foreign policy fields 1 India's foreign economic policy towards Africa with an in depth analysis of Indo African trade investment and lines of credit 2 New Delhi's development cooperation policy vis vis Africa its principles instruments and volume 3 India's politico diplomatic foreign and security policy vis vis Africa including New Delhi's high level diplomacy security and diaspora policy as well as multilateral Africa policy

Cyber Security and Threats: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources,2018-05-04 Cyber security has become a topic of concern over the past decade as private industry public administration commerce and communication have gained a greater online presence As many individual and organizational activities continue to evolve in the digital sphere new vulnerabilities arise Cyber Security and Threats Concepts Methodologies Tools and Applications contains a compendium of the latest academic material on new methodologies and applications in the areas of digital security and threats Including innovative studies on cloud security online threat protection

and cryptography this multi volume book is an ideal source for IT specialists administrators researchers and students interested in uncovering new ways to thwart cyber breaches and protect sensitive digital information *European Union Common Foreign Policy* M. Holland,1995-03-13 This book presents an examination of one of the first joint actions undertaken by the European Union under the Common Foreign and Security Policy CFSP provisions of Maastricht The case study of South Africa is particularly important as it straddles both the CFSP and the European Political Cooperation EPC periods and thus similarities and constraints in policy making and implementation can be made The EC EU policy vis a vis South Africa is traced from 1977 through to the April 1994 South African elections The earlier policy period of sanctions and positive measures are compared with the 1990s policies of election observation the normalization of bilateral relations and development policy General conclusions about the effectiveness and institutional aspects of joint actions are drawn and recommendations for improved CFSP joint actions proposed Vice President of the Commission Sir Leon Brittan has contributed a foreword to this volume

Bring Your Own Device Security Policy Compliance Framework Rathika Palanisamy,Azah Anir Norman,Miss Laiha Mat Kiah,Tutut Herawan,2025-03-29 Proliferation of Bring Your Own Device BYOD has instigated a widespread change fast outpacing the security strategies deployed by organizations The influx of these devices has created information security challenges within organizations further exacerbated with employees inconsistent adherence with BYOD security policy To prevent information security breaches compliance with BYOD security policy and procedures is vital This book aims to investigate the factors that determine employees BYOD security policy compliance by using mixed methods approach Security policy compliance factors BYOD practices and security risks were identified following a systematic review approach Building on Organizational Control Theory Security Culture and Social Cognitive Theory a research framework positing a set of plausible factors determining BYOD security policy compliance was developed Next with a purposive sample of eight information security experts from selected public sector organizations interviews and BYOD risk assessments analysis were performed to furnish in depth insights into BYOD risks its impact on organizations and recommend control measures to overcome them This led to the suggestion of four control measures to mitigate critical BYOD security risks such as Security Training and Awareness SETA policy top management commitment and technical countermeasures The control measures were mapped into the research framework to be tested in the following quantitative phase The proposed research framework was tested using survey results from 346 employees of three Critical National Information Infrastructure CNII agencies Using Partial Least Squares Structural Equation Modelling PLS SEM the framework s validity and reliability were evaluated and hypotheses were tested Findings show that perceived mandatoriness self efficacy and psychological ownership are influential in predicting employees BYOD security policy compliance Specification of security policy is associated with perceived mandatoriness while BYOD IT support and SETA are significant towards self efficacy Unexpectedly security culture has been found to have no significant relationship to BYOD security policy

compliance Theoretical practical and methodological contributions were discussed and suggestions for future research were recommended The analysis led to a number of insightful findings that contribute to the literature and the management which are predominantly centered on traditional computing In view of the ever increasing BYOD threats to the security of government information it is imperative that IT managers establish and implement effective policies to protect vital information assets Consequently the findings of this study may benefit policymakers particularly in the public sector in their efforts to increase BYOD security policy compliance among employees *Routledge Handbook of Private Security Studies* Rita Abrahamsen,Anna Leander,2015-10-08 This new Handbook offers a comprehensive overview of current research on private security and military companies comprising essays by leading scholars from around the world The increasing privatization of security across the globe has been the subject of much debate and controversy inciting fears of private warfare and even the collapse of the state This volume provides the first comprehensive overview of the range of issues raised by contemporary security privatization offering both a survey of the numerous roles performed by private actors and an analysis of their implications and effects Ranging from the mundane to the spectacular from secretive intelligence gathering and neighbourhood surveillance to piracy control and warfare this Handbook shows how private actors are involved in both domestic and international security provision and governance It places this involvement in historical perspective and demonstrates how the impact of security privatization goes well beyond the security field to influence diverse social economic and political relationships and institutions Finally this volume analyses the evolving regulation of the global private security sector Seeking to overcome the disciplinary boundaries that have plagued the study of private security the Handbook promotes an interdisciplinary approach and contains contributions from a range of disciplines including international relations politics criminology law sociology geography and anthropology This book will be of much interest to students of private security companies global governance military studies security studies and IR in general **U.S. Army War College Guide to National Security Issues: National security policy and strategy** J. Boone Bartholomees,Army War College (U.S.). Strategic Studies Institute,2012 Volume II continues the analyses and discussion of national security policy and strategy **The Notary's Manual, Containing Instructions for the Notaries at the Cape of Good Hope, with Practical Directions for Making Wills** Hercules Tennant,1887 **Foreign Policy in Post-Apartheid South Africa** Adekeye Adebajo,Kudrat Virk,2017-12-18 South Africa is the most industrialized power in Africa It was rated the continent s largest economy in 2016 and is the only African member of the G20 It is also the only strategic partner of the EU in Africa Yet despite being so strategically and economically significant there is little scholarship that focuses on South Africa as a regional hegemon This book provides the first comprehensive assessment of South Africa s post Apartheid foreign policy Over its 23 chapters and with contributions from established Africa Western Asian and American scholars as well as diplomats and analysts the book examines the current pattern of the country s foreign relations in impressive detail The

geographic and thematic coverage is extensive including chapters on the domestic imperatives of South Africa's foreign policy peace making defence and security bilateral relations in Southern Central West Eastern and North Africa bilateral relations with the US China Britain France and Japan the country's key external multilateral relations with the UN the BRICS economic grouping the African Caribbean and Pacific Group ACP as well as the EU and the World Trade Organization WTO An essential resource for researchers the book will be relevant to the fields of area studies foreign policy history international relations international law security studies political economy and development studies The Oxford Handbook of the South African Economy Arkebe Oqubay, Fiona Tregenna, Imraan Valodia, 2021-11-18 While sharing some characteristics with other middle income countries South Africa is a country with a unique economic history and distinctive economic features It is a regional economic powerhouse that plays a significant role not only in southern Africa and in the continent but also as a member of BRICS However there has been a lack of structural transformation and weak economic growth and South Africa faces the profound triple challenges of poverty inequality and unemployment Any meaningful debate about economic policies to address these challenges needs to be informed by a deep understanding of historical developments robust empirical evidence and rigorous analysis of South Africa's complex economic landscape This volume seeks to provide a wide ranging set of original detailed and state of the art analytical perspectives that contribute to scientific knowledge as well as to well informed and productive discourse on the South African economy While concentrating on the more recent economic issues facing South Africa the handbook also provides historical and political context It offers an in depth examination of strategic issues in the country's key economic sectors and brings together diverse analytical perspectives **Research Handbook on the EU's Common Foreign and Security Policy** Steven Blockmans, Panos Koutrakos, In times of rapid change and unpredictability the European Union's role in the world is sorely tested How successfully the EU meets challenges such as war terrorism and climate change and how effectively the Union taps into opportunities like mobility and technological progress depends to a great extent on the ability of the EU's institutions and member states to adopt and implement a comprehensive and integrated approach to external action This Research Handbook examines the law policy and practice of the EU's Common Foreign and Security Policy including the Common Security and Defence and gauges its interactions with the other external policies of the Union including trade development energy as well as the evolving political and economic challenges that face the European Union

The Enthralling World of E-book Books: A Detailed Guide Unveiling the Pros of E-book Books: A Realm of Ease and Versatility
