Technical Communication for Engineers Shalini Verma, 2015 Technical Communication for Engineers has been written for undergraduate students of all engineering disciplines. It provides a well researched content meticulously developed to help them become strategic assets to their organizations and have a successful career. The book covers the entire spectrum of learning required by a technical professional to effectively communicate the technicalities of his subject to other technocrats or to a non technical person at their proper levels. It is unique inasmuch as it provides some thoughtful pedagogical tools that help the students attain proficiency in all the modes of communication. Key Features Marginalia which are spread throughout the book to clarify and highlight the key points. Tech Talk passages which throw light on the latest advancements in communication technology and their innovative use. Application based Exercise which encourages the readers to apply the concepts learnt to real life situation. Language based Exercise Grammar feel or experience the concepts and theories learnt and thereby gain hands on experience.

Organizational Behavior Michael A. Hitt, C. Chet Miller, Adrienne Colella, Maria Triana, 2017-12-11 People processes and technology. These are the three major drivers of business achievement. The best leaders inherently understand that great companies start with great people. This is as true now as it was during the beginning of the industrial revolution and understanding and staying current on the latest organizational behavior research and best practices paves the way for managerial success. In this updated edition of Organizational Behavior theory new research and real world case studies are combined in an engaging manner to blend together the critical concepts and skills needed to successfully manage others and build a strong organization across all levels of a company. Featuring an in depth view of the process and practice of managing individuals teams and entire organizations the text provides a solid foundation for students and future managers.

Strategic Management A. Naga, In today's world change is the only constant factor. In the last few decades there has been a radical change in how organizations function. To survive in this highly volatile environment companies need a long term strategic vision and thinking. In light of this strategic management has become a significant topic and is taught as the core subject in MBA PGDM programmes in Indian universities and business schools. This is a book written in the context of the Indian business environment but with a global orientation. It is comprehensive and contemporary in its approach.

Islamic Counselling G. Hussein Rassool, 2015-07-16 Islamic counselling is a form of counselling which incorporates spirituality into the therapeutic process. Until now there has been little material available on the subject with no one agreed definition of Islamic counselling and what it involves. There has also been a rapidly growing population of Muslims in Western societies with a corresponding rise in need of psychological and counselling services. Islamic Counselling An Introduction to theory and practice presents a basic understanding of Islamic counselling for counsellors and Islamic counsellors and provides an understanding of counselling approaches congruent with Islamic beliefs and practices from a faith based perspective. The book is designed as an

introduction for counsellors its goal is to inform the reader about how the diverse roles of the Islamic counsellor fit together in a comprehensive way and to provide the guidelines that can be potentially integrated into a theoretical framework for use The book is divided into two parts Section one Context and Background and Section two Assessment Models and Intervention Strategies Islamic Counselling encompasses both current theory research and an awareness of the practice implications in delivering appropriate and effective counselling interventions with Muslim clients It will be essential reading for both professionals and students alike Communication 2000 Cengage Learning South-Western, Agency For Instructional Technology (Ait), 1997-01-02 An innovative applied academics program that uses multimedia technology to present a comprehensive communication curriculum Education for employment for communication in the workplace Marketing Manager Diploma (Master's level) - City of London College of Economics - 12 months - 100% online / self-paced City of London College of Economics, Overview The ultimate course in marketing Nothing will be uncovered Content What is Marketing Marketing Management Marketing Management Philosophies Marketing Challenges into the Next Century Marketing and Society Social Responsibility and Marketing Ethics Social Criticisms of Marketing Citizen and Public Actions to Regulate Business Actions Towards Socially Responsible Principles for Public Policy Towards Marketing Strategic Marketing Planning The Global Market Place Business Markets and Business Buyer Behaviour Market Information and Marketing Research Core Strategy And many more Duration 12 months Assessment The assessment will take place on the basis of one assignment at the end of the course Tell us when you feel ready to take the exam and we ll send you the assignment questions Study material The study material will be provided in separate files by email download link **Master of Science in Project Management - City of London College of Economics - 10 months - 100% online / self-paced** City of London College of Economics, Overview A MScPM or Master of Science in Project Management is a degree that will prepare you for a role as Senior Project Manager Director Project Management Content Building the action plan scheduling estimating and resource allocation Achieving stakeholder satisfaction through project control Project risk management A model for building teamwork New project development processes Enterprise project management Quick tips Speedy solutions Cutting edge ideas Making good decisions Ideas and what to do with them Leadership and trust What to do when things go wrong Over 120 new exercises to practice what you ve learnt Duration 10 months Assessment The assessment will take place on the basis of one assignment at the end of the course Tell us when you feel ready to take the exam and we ll send you the assignment questions Study material The study material will be provided in separate files by email download link **Site Establishment, Formwork and Framing** Adrian Laws, 2020-06-08 Site Establishment Formwork Framing is designed to provide learners in construction with a resource to complement their onsite learning experiences The content covers units about what to do with a vacant site setting out a building on that site and completion of the framed building with walls roof and eaves in place Each chapter deals with the main events involved in the process of taking that vacant site
