

Changing a Child Support Order in Your State

! The information below applies only to South Dakota

1. How can I find out if I have a "IV-D" child support case in this state?

Contact the SD Division of Child Support (DCS):

Phone: 605-773-3641

Email: DCS@state.sd.us

Address: Division of Child Support
Richard F. Kneip Building
700 Governors Drive
Pierre, SD 57501

If the DCS has an active case, we can provide parents the amount and date it was last modified. Another option is to contact the Clerk of Court in the county the order was issued. Contact information for SD Clerk of Courts can be found at <http://ujs.sd.gov/Contact/clerkcourts.aspx>.

2. How can I contact my child support agency?

Contact the SD Division of Child Support:

Phone: 605-773-3641

Email: DCS@state.sd.us

Address: Division of Child Support
Richard F. Kneip Building
700 Governors Drive
Pierre, SD 57501

Contact information for child support field offices can be found at <http://dss.sd.gov/childsupport/offices/index.asp>

3. If I am incarcerated, are there any barriers to having my order changed?

No. However, South Dakota law prevents modifying the ordered child support amount below an obligation computed from full time employment at minimum wage. Under SDCL 25-7-6.4, there is a "rebuttable presumption of employment at minimum wage," including while incarcerated. Under SDCL 25-7-6.10 (6), courts may deviate from the guidelines schedule due to voluntary unemployment or underemployment, unless it is due to incarceration. However, courts have the authority to order a child support amount less than the minimum guideline amount.

4. Do you provide any materials online that I can use to ask for a change to my child support order?

Yes. There is modification guide online titled, "How do I modify my support order?" which provides modification information. The modification guide can be found at: <https://dss.sd.gov/childsupport/services/modifysupportorder.asp>

There is also packet of forms online titled, "Petition for Modification" which provides all necessary forms that need to be filed. The Petition for Modification form can be found at: <https://dss.sd.gov/childsupport/docs/SE415.pdf>. This form provides instructions, a modification process flowchart, the petition for modification, a checklist, and a financial statement.

South Dakota Child Support Guidelines:

Child Support Guidelines Laura W. Morgan, 2011-09-28 *Child Support Guidelines Second Edition* is the only comprehensive guidebook for determining child support awards that takes practitioners step by step through the interpretation and application of the guidelines and their worksheets in both the normal and exceptional child support case. This unique publication thoroughly covers each state's version of one of the three basic models for determining child support: the percentage of income model, the income shares model, and the Melson formula. Important issues affecting calculations are clearly explained, including: Definition of "income" under the guidelines; The impact of divided custody, shared custody, split custody, and extended visitation; Second household expenses; other dependents; subsequent children and stepchildren; Impact of a private contract on the court's decision to apply the guideline amount; Deviation from the guidelines for a high income parent; Deviation from the guidelines to pay for medical expenses, private school, and child care expenses; Imputed income; Modification of prior awards; And more. **Child Support Guidelines**, 1994 Summaries of Reports by State Commissions on Child Support Enforcement, 1986 *South Dakota Codified Laws* South Dakota, 2004 **The Law and Economics of Child Support Payments** William S. Comanor, 2004-01-01 This urgently needed groundbreaking book provides solid data that coincides with the real life stories I have been hearing for years from men and women nationwide regarding unfair child support laws and policies that have resulted in adverse effects on their children and families. I anticipate that this book will have a major positive impact on social policy and the general collective attitudes toward families in today's society. The information presented in this book must be read and understood by every policymaker to insure that child support policies are made just and fair so that all families can prosper. Dianna Thompson National Family Justice Association US. The delinquent payment of child support by non-custodial to custodial parents is a major problem throughout the United States. To many observers the problem is one of deadbeat dads: men who simply will not make the required payments. The solution has been to enforce payment by the imposition of increasingly stringent civil and criminal penalties. Despite these efforts, the percentage of single mothers receiving child support has changed very little over the past twenty-five years. *The Law and Economics of Child Support Payments* investigates why this is and approaches the payment of child support as an economic problem. C S P the Chronicles of Child Support Rainer P. Warner, 2012-05 Exclusively revised and updated for the new age custodial and non-custodial parent. *Chronicles of Child Support* or the CSP gives you a dynamic look into the present day court system, its procedures, roles, and the civil law. The CSP enlightens the mind to the harsh reality of child support enforcement, their procedures, techniques, and jail. The CSP educates the non-custodial and custodial parents' rights regarding paternity, custody, visitation, and modification.
