- Two have dark lace up shoes, two have on saddle shoes, (one looks black, the other brown).
- The five ladies are standing on a gravel area, all in a line from left to right. The lady with the riding boots has the lightest of slacks.
- All of the slacks appear to be riding shorts and come only to their knees. Bloused at the hip and tight at the knee or just below the knee.
- Behind the ladies there is a building with a large open area to the right (carport or covered porch). The building appears to be concrete with no siding, there is a small door with four square windows for viewing who is at the door. There appears to be a walk way or road that goes toward the building and around where there are cars parked. There are four old model "T" cars in the background. Three are backed into the parking area (grassy) One is pulled into the space and the lights appear to be on. There is a large tree over the parking area.
