*Military Assistance on Request and the Use of Force* Erika De Wet, 2020-03-26 In countries such as Syria Iraq South Sudan and Yemen internationally recognized governments embroiled in protracted armed conflicts and with very little control over their territory have requested direct military assistance from other states These requests are often accepted by the other states despite the circumvention of the United Nations Security Council and extensive violation of international humanitarian law and human rights In this book Erika De Wet examines the authority entitled to extend a request for or consent to direct military assistance as well as the type of situations during which such assistance may be requested notably whether it may be requested during a civil war Ultimately De Wet addresses the question of if and to what extent the proliferation of military assistance on the request of a recognized government is changing the rules in international law applying to the use of force

**The Unintended Consequences of Peace** Arie Marcelo Kacowicz, Exequiel Lacovsky, Keren Sasson, Daniel F. Wajner, 2021-07-01 Scholars of international relations generally consider that under conditions of violent conflict and war smuggling and trans border crime are likely to thrive In contrast this book argues that in fact it is globalisation and peaceful borders that have enabled transnational illicit flows conducted by violent non state actors including transnational criminal organizations drug trafficking organizations and terrorist cells who exploit the looseness and demilitarization of borderlands Empirically the book draws on case studies from the Americas compared with other regions of the world experiencing similar phenomena including the European Union and Southeast Europe the Western Balkans Southern Africa and Southeast Asia To explain the phenomenon in itself the authors examine the type of peaceful borders and regimes involved in each case how strong each country is in the governance of their borderlands their political willingness to control their peaceful borders and the prevailing socio economic conditions across

**Network Governance of the UN Human Rights Council** Anatoly Boyashov,2022-07-01 This book explores how the structures of international organizations have become increasingly complex and considers why states choose to become part of networks of international organizations alongside non state actors While granting participation rights to non state actors states have been actively involved in establishing complex ties with them International organizations in their turn have enhanced the sustainment of complex networks The author argues that the involvement in networks of international organizations provides better capacities in communication Thus being a governmental or non governmental entity an actor tends to occupy the beneficial structural positions of a leader connecting to as many actors as possible or a broker bridging isolated subgroups within a network Through a study of the UN Human Rights Council HRC and the respective diplomatic institutional and organizational networks that participate in it he explores the most visible stakeholders the institutional setting of the HRC and the multilateral negotiations on the prevention of human rights violations in 2010 2019 The volume will appeal to scholars students and practitioners interested in the international organisations networks foreign policy the United Nations and the Human Rights Council

*China's Vertical Multilateralism and the Global South* Dominik Mierzejewski,Jarosław Jura,Bartosz Kowalski,Mario Esteban,2025-10-21 This book provides an in depth analysis of China led multilateralism and decodes China s narratives and political and business practices both from theoretical and practical dimensions Introducing the mechanisms that govern China led multilateral formats in what China sees as the Global South the study offers a comparative analysis and checks whether China uses a one size fits all strategy towards the selected case study formats and adopts a more differentiated regional approach The case studies cover the following China led multilateral formats China ASEAN Forum on China Africa Cooperation FOCAC China Central and Eastern Europe and China CELAC The authors introduce four primary practices of China s management of relations within these platforms executing discursive power cultivating elite diplomacy influencing public opinion and navigating economic interactions to illustrate the bilateral and informal nature of China led multilateralism practices They argue that the bilateral approach is driven by China s will to keep its paramount position within the formats and its pursuit to exploit the divisions among countries in these formats Moreover China s relations with the Global South community are governed by informal networks that give the impression of non

interference and position China as the principal power due to these relationships inherent asymmetry Cognizant of bilateral and informal drivers of China's multilateral practices the book compares China's relations with selected case studies of countries under the multilateral umbrella Brazil Cambodia Chile Kenya Poland Serbia South Africa and Thailand It considers the growing tensions between China and the West surrounding the crisis of the COVID 19 pandemic the centralisation of power in China and the Russian war in Ukraine Shedding light on China's policies and practices on bilateral and multilateral levels this book will be of interest to researchers studying International Relations Asian Politics the politics of the Global South and Chinese Studies      **ECCWS 2022 21st European Conference on Cyber Warfare and Security** Thaddeus Eze,2022-06-16      Communication and Sport Michael L. Butterworth,2021-07-19 Sport is a universal feature of global popular culture It shapes our identities affects our relationships and defines our communities It also influences our consumption habits represents our cultures and dramatizes our politics In other words sport is among the most prominent vehicles for communication available in daily life Nevertheless only recently has it begun to receive robust attention in the discipline of communication studies The handbook of Communication and Sport attends to the recent and rapid growth of scholarship in communication and media studies that features sport as a central site of inquiry The book attempts to capture a full range of methods theories and topics that have come to define the subfield of communication and sport or sports communication It does so by emphasizing four primary features First it foregrounds communication as central to the study of sport This emphasis helps to distinguish the book from collections in related disciplines such as sociology and also points readers beyond media as the primary or only context for understanding the relationship between communication and sport Thus in addition to studies of media effects mediatization media framing and more readers will also engage with studies in interpersonal intercultural organizational and rhetorical communication Second the handbook presents an array of methods theories and topics in the effort to chart a comprehensive landscape of communication and sport scholarship Thus readers will benefit from empirical interpretive and critical work and they will also see studies drawing on varied texts and sites of inquiry Third the handbook of Communication and Sport includes a broad range of scholars from around the world It is therefore neither European nor North American in its primary focus In addition the book includes contributors from commonly under represented regions in Asia Africa and South America Fourth the handbook aims to account for both historical trajectories and contemporary areas of interest In this way it covers the central topics debates and perspectives from the past and also suggests continued and emerging pathways for the future Collectively the handbook of Communication and Sport aspires to provide scholars and students in communication and media studies with the most comprehensive assessment of the field available      **Political Handbook of the World 2022-2023** Tom Lansford,Jorge Brown,2023 With more in depth coverage of current political controversies than any other reference guide Political Handbook of the World 2022 2023 is the most authoritative source for finding complete facts and analysis on each country's

governmental and political makeup      Global Challenges in Maritime Security Lisa Otto, 2020-04-21 From pirates to smugglers migrants to hackers from stolen fish to smuggled drugs the sea is becoming a place of increasing importance on the global agenda as criminals use it as a theatre to conduct their crimes unfettered This volume sets out to provide an introduction to the key issues of pertinence in Maritime Security today It demonstrates why the sea is a space of great strategic importance and how threats to security at sea have a real impact for people around the world It examines an array of challenges and threats to security playing out at sea including illegal unreported and unregulated fishing irregular migration piracy smuggling of illicit goods and cyber security while also looking at some of the mechanism and role players involved in addressing these perils Each chapter provides an overview of the issue it discusses and provides a brief case study to illustrate how this issue is playing out in real life This book thus allows readers an insight into this evolving multidisciplinary field of study As such it makes for an informative read for academics and practitioners alike as well as policymakers and students offering a well rounded introduction of the main issues in current Maritime Security      *Civil Society and Transitional Justice in Asia and the Pacific* Claire Cronin, Lia Kent, JoAnne Wallis, 2019-01-01 Over the last two decades civil society has helped catalyse responses to the legacies of violent conflicts and oppressive political regimes in Asia and the Pacific Civil society has advocated for the establishment of criminal trials and truth commissions monitored their operations and pushed for take up of their recommendations It has also initiated community based transitional justice responses Yet there has been little in depth examination of the breadth and diversity of these roles This book addresses this gap by analysing the heterogeneity of civil society transitional justice activity in Asia and the Pacific Based upon empirically grounded case studies of Timor Leste Indonesia Cambodia Myanmar Bougainville Solomon Islands and Fiji this book illustrates that civil society actors can have different and sometimes competing priorities resources and approaches to transitional justice Their work is also underpinned by diverse understandings of justice By reflecting on the richness of this activity this book advances contemporary debates about transitional justice and civil society It will also be a valuable resource for scholars and practitioners working on Asia and the Pacific      **'Africa Forms the Key'** Suryakanthie Chetty, 2021-01-04 This book examines the work of prominent South African geologist Alex Du Toit as a means of understanding the debate around continental drift both in segregation era South Africa and internationally It contextualises Du Toit s work within a particularly formative period of South African science from the paleoanthropological discoveries that sparked debates about the origins of humankind to Jan Smuts own theory of holism Beyond South African scientific discoveries the book sets Du Toit s work against a backdrop of ideological struggles over space both domestically in terms of segregation and nationalism as well as internationally as South Africa sought to assert its position within the Commonwealth These debates were embodied by Du Toit s work on the theory of continental drift which put Africa and South Africa at the centre geologically and geographically The author also focuses on the divisions in geology caused by drift theory tracing the

vigorous intellectual debate and dissent indicative of the ideological milieu within which scientific thought is constructed It traces the history of continental drift from its inception in the nineteenth century and later work of Alfred Wegener which was both elaborated upon and substantiated by Du Toit The study further focuses on Du Toit's research on continental drift in South African and South America and the geological fossil and climatological evidence used to bolster this theory *An Intellectual Biography of Africa* Francis Kwarteng, 2022-07-13 Africa is the birthplace of humanity and civilization And yet people generally don't want to accept the scientific impression of Africa as the birthplace of human civilization The skeptics include Africans themselves a direct result of the colonial educational systems still in place across Africa and even those Africans who acquire Western education particularly in the humanities have been trapped in the symptomatology of epistemic peonage These colonial educational systems have overstayed their welcome and should be dismantled This is where African agency comes in Agential autonomy deserves an authoritative voice in shaping the curricular direction of Africa Agential autonomy implicitly sanctions an Afrocentric approach to curriculum development pedagogy historiography literary theory indigenous language development and knowledge construction Science technology engineering mathematics information and communications technology STEM ICT and research and development R D both exercise foundational leverage in the scientific and cultural discourse of the kind of African Renaissance Cheikh Anta Diop envisaged Mr Francis Kwarteng has written a book that looks at some of the major distortions of African history and Africa's major contributions to human civilization In this context Mr Kwarteng joins a long list of thinkers who roundly reject the foundational Eurocentric epistemology of Africa in favor of an Afrocentric paradigm of Africa's material spiritual scientific and epistemic assertion Mr Kwarteng places S T E M and a revision of the humanities at the center of the African Renaissance and critiques Eurocentric fantasies about Africa and its Diaspora following the critical examples of Cheikh Anta Diop Ama Mazama Molefi Kete Asante Abdul Karim Bangura Theophile Obenga Maulana Karenga Mubabingo Bilolo Kwame Nkrumah Ivan Van Sertima W E B Du Bois and several others Readers of this book will be challenged to look at Africa through a critical lens Ama Mazama editor author of *Africa in the 21st Century Toward a New Future* There are countless books about the evolution of European intellectual thought but scarcely any that captures the pioneering contributions of Africans since the beginning of recorded knowledge in Kemet aka Ancient Egypt Well that long drought has ended with the publication of Kwarteng's *An Intellectual Biography of Africa A Philosophical Anatomy of Advancing Africa the Diopian Way* Prepare to be educated Milton Allimadi author of *Manufacturing Hate How Africa Was Demonized in the Media* *Department of Justice Manual* Wolters Kluwer, 2012-03-23 The new Department of Justice Manual Third Edition takes you inside all the policies and directives outlined in the latest U S Attorneys Manual used universally by the DOJ in civil and criminal prosecutions Along with comprehensive coverage of all the information relied on by today's DOJ attorneys this guide offers you other valuable DOJ publications in the form of Annotations You'll find the Asset Forfeiture Manual the Freedom of Information Act Case List and

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
